Is It Your Condition?

Young in years but aged in appearance, losing your vitality, nervous, forgetful. Have you wasted the vigor of youth? Are you weak when you should be strong? Do you have "come-and-go" pains in your back, hips, shoulders and around your heart? Are you worn out before your time, man?

If you want to be as vigorous as you were before you lost your strength, to get up in the morning brighter than when you go to bed, to lose your pains and have a sound stomach and regular bowels, and become again a strong, perfect and healthy man, use

DR. McLAUCHLIN'S ELECTRIC BELT

It has restored health and strength to thousands of weak and impotent men. If used as I direct it is a positive cure and cannot fail.

Estella E. Gordon, Staples, Ont., writes: "I received the Belt all O.K., and amore than pleased with it. I think it is worth many times its price, as I have found it most an instant cure. I have worn it less than one month."

Letters like this are in every mail. Ask them and be convinced. Mrs. John Whitefield, Columbus, Ont., says:—"To speak the truth, I cannot say too much for your Belt. It is the best remedy I have used since my health failed, and that is 32 years ago. All this time I have been spending money for drugs which did me no good. Since I got your Belt I have not taken one dose of medicine."

Developments of the Inquest-Possible Clue - Let of Alcohol Missing.

Toronto, July 30.—At the inquest into the death of George Whalley, the shipper for Evans & Sons, who was found dead on Sunday, July 20, in the warehouse under circumstances pointed to foul play and probably death by poisoning, J. M. Spencer, the manager of the firm, gave evidence last night that may afford a ciue. He had discovered, he said, while comparing the stock sheet on March 31st and those of July 24th, the last stocktaking, that some 99 gallons of alcohol, worth about \$4 55 yer gallon, had apparently disappeared. The verifica-tion of these figures will prove what has been suspected that some one has been stealing from the warehouse. The question is, who was the thief and what relation had the their of this alcohol to the death of Whalley?

It is, therefore, extremely gratifying to the proprietors of Parmelee's Vegetable Pills to know that their efforts to compound a medicine which would prove a blessing to mankind have been successful beyond their expectations. The indorsation of these Pills by the public is a guarantee that a pill has been produced which will fulfill everything claimed for it.

Toronto, July 30 .- At yesterday's meeting of the Ontario Alliance, the report of the provincial executive was presented by Mr. J. J. upon the friends of temperance throughout the province to unite in an earnest effort to win a decisive victory on Dec. 4; that the president of the prohibition association in each county or electoral district be made a vice-president of the Ontario branch of the Dominion Alliance, thus giving each county representation upon the executive; that the executive be instructed to take immediate steps to secure a live working organization in each electoral district; that the reference and electoral district; that the reference and temperance societies be requested to and temperance societies be requested to inaugurate an active movement to secure signatures from members of churches, Sunday schools and young people's societies to the following pledge: "I promise to abstain from the use of intoxicating liquors as a beverage, and to discountenance such use by others."
