New York, Aug. 4.—The finding of some clothing in which was a note threatening suicide, and the tracing of footmarks to the Harlem River on the Speedway at One Hundred and Eighty-second street today, leads the police to believe that a suicide has been committed at that point. Among other things found in the clothing was a letter addressed to "Prof. Al. J. Wirz, piano soloist, 88 Clinton street, Buffalo, N. Y.," and the following note: "I have kept my word and made good, "I have kept my word and made good, proving that I'm no coward, A. J. Wirz."
A cabinet photo of a good-looking young woman was also found in the pockets.
On the back was written: "Miss Carrie Boyd, Toronto, Ontario, Canada." While the police are inclined to believe that Wirz compiled which the route when the compiled winds of the route when the committed suicide at the point where the clothes were found, they are still some-what skeptical, and are making a diligent search for the body. forth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: — Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily and each dose added health and strength. I am so thankful for the help I obtained through its use."-Mrs. FLORENCE DANFORTH, 1007 Miles Ave., St. Joseph, Mich.

A medicine that has restored so many women to health and can produce proof of the fact must be regarded with respect. This is the record of Lydia E. Pinkham's Vegetable Compound, which cannot be equalled by any other medicine the world has ever pro-

duced. Here is another case: -"DEAR MRS. PINKHAM: - For years I was troubled with falling of the womb, irregular and painful menstruation, leucorrhœa, bearingdown pains, backache, headache, dizzy and

fainting spells, and stomach trouble. "I doctored for about five years but did not seem to improve. I began the use of your medicine, and have taken seven bottles of Lydia E. Pinkham's Vegetable Compound, three of Blood Purifier, and also used the Sanative Wash and Liver Pills, and am now
