EMMANUEL MOVEMENT PRONUNCED FAILURE

Treatment of Disease by Combination of Religion and Medicine.

San Francisco, April 7.-The Emmanuel movement, having to do with the treatment of disease by a combination of religion, mental suggestion and medicine, and in which it was hoped an effective cure had been found for neurasthenia and other disorders of the nervous system, has proved a failure at St. Luke's Hosuital here, according to a statement made yesterday by Bishop Nicholas, of the Episcopal Church.

The local experiment has lasted a year. and every effort it is said, has been made to test the efficaciouness of the prescribed reatment. The hospital's psychopathic ward has now been discarded, and Dr. A. B. Shields, D.D., the clerical superinendent of the institution, has sent in his

esignation, effective May 1. The San Francisco experiment has been closely watched by medical men through-

out the country. QUEBEC TOWNS "GOING DRY"

Ottawa, April 8.-The temperance vave continues to sweep through the Province of Quebec. After Aylmer and Hull comes little East Templeton which last night went "dry," the council being unable to grant a renewal of three licenses owing to opposition from the majority of the electors. With East Templeton "dry" there is not a saloon from Hull to Gracefield, and attempts are being made in the latter place to

have the saloons eliminated. G. T. R. EXPANDS

Has Now Secured a Direct Line to

Rhode Island and Providence. Providence, R. I., April 7.-A bill, granting a charter to the Southern New England Railway Company, to be operated as a branch of the Grand House today. The bill, if passed by the Senate, and signed by the governor, will give the Grand Trunk a direct line through Rhode Island with a sea

port outlet at Providence. BERESFORD'S ADVICE
