"A broken heart, resulting from keen mental anguish, the burden He carried for you and for me, was the cause of Christ's death," declared the Rev. J. H. Boyd, in his sermon on "The Resurrection" in the Adelaide Street Baptist Church on Sunday morning.

Mr. Boyd affirmed that the Saviour had not suffered death by injuries sus-

### THE WORLD'S WORK DEPENDS ON THE WORLD'S DIGESTION

From the captain of industry to the hod carrier-from milady in the auto to the woman with the scrubbing brushthe accomplishments of every one of us depend absolutely on the accomplishments of our stomachs. Backed by a good digestion, a man can give the best that is in him. When his stomach fails, he becomes a weakling.

To this loss of power no one need submit. Right habits of eating, drinking, sleeping and exercise, aided by Na-Dru-Co Dyspepsia Tablets, will restore and maintain the full efficiency of the human mind and body.

Na-Dru-Co Dyspepsia Tablets contain the active principles needed for the digestion of every kind of food. They go to the assistance of the weakened stomach, and enable the sufferer, right from the start, to assimilate and get the benefit of the food eaten. With this assistance, the digestive organs regain their tone, and soon the use of the tablets

is no longer necessary. If your stomach is not working pro-perly, try Na-Dru-Co Dyspepsia Tablets. 50c. at your druggist's. National Drug and Chemical Co. of Canada, Limited,
