CANADIANS WON

Schoolboys' International Sees England Blanked 3-0.

Public Utilities and the W. O. R. eleven played a three-all tie game in the final for the McCutcheon cup at Tecumseh Park on Saturday afternoon. W. O. R. played a splendid game, but the P. U.'s were penalized on ten occasions. Two of W. O. R.'s goals were scored from penalties and the first one was the best of the game. At the close some fans and players mixed it up, which didn't prove anybody's fighting ability, but does prove how well soccer interest is being maintained.

Canadian Boys Won.
The Canadian school boys' team won the preliminary game against the English team by the score of 3 to 0. Much interest was manifested in the match. Paulkner of Empress Avenue School, the smallest and youngest player on the field, was the best. He scored two of Canada's goals and was always in the way when one of the English players was about to score. Evans got the other goal for Canada. Snelling and McCraig were the best for England.

W. O. R. scored first in the big game of the day. Whitworth and Potter carried the ball from the centre of the field. The former kicked, but Whitworth made a nice save. Potter, however, kicked it in on a rebound. Play was inclined to be rough after this. Four minutes later the P. U.'s scored in much the same way. But there were several shots at the W. O. R. goal, but no goals resulted.

Fifteen minutes of the last half had elapsed before any scoring took place. Hazelwood scored on practically a lone rush. Capt. Ince passed the ball to him when he was within 25 yards of W. O. R. goal. He went through the backs and had little difficulty finding Fuller. Hazelwood headed a corner kick in more than two minutes after the start of the half. The P. U.'s stopped scoring.

Roughen Up.
More roughness was brought into the game with the P. U.'s suffering the most. After Taylor had kicked one penalty shot in and made the score 3 to 2, W. O. R. team kicked up. The penalty kick was given W. O. R. almost in the centre of the field. Wilson, the regiment's star player, kicked. The ball went about fifteen feet from the P. U.'s goal. Goughly jumped and headed the ball for the goal. It rolled past the goal net and lodged just over the line. Both teams settled down for better football, but failed to do any more scoring.

The Teams:
P. U.'s: Whitworth ... goal ... Fuller ... full backs ... Wilson ... Dennis ... half backs ... Whitlaw ... Clark ... Broomhead ... Fullerton ... forwards ... Taylor ... Land ... Potter ... Hazelwood ... centre ... McFarlane ... Moore ... Angus ... Referee—Noble.

International School Boys' Line-Up:
Canada: Graham ... goal ... J. Pritchett ... Snelling ... full backs ... Wilson ... McCraig ... half backs ... Jarrett ... Flayson ... J. Gordon ... Thorogood ... forwards ... Rossiter ... Reynolds ... Roberts ... Evans ... centre ... Callahan ... Paulkner ... R. Schrier ... Chambers ... Wade ... Referee—"Bob" Sims.

ARGOS WIN TITLE AT THE CAPITAL

Rough Riders Fail To Do Anything Against Double Blue.

OTTAWA, Oct. 30.—The Argonauts of the Provincial Rugby Union for the 1921 season. They definitely established ownership of the title here on Saturday afternoon at Lansdowne Park, when, continuing their unbroken string of victories, they defeated the Ottawa Senators in the deciding game of the season. The Argonauts have won the title for many years has so much interest been manifested in a rugby game in the capital, nearly 10,000 persons journeying to the park to witness the struggle.

Conqueror Stars.
To Conacher, half back extraordinary, belongs the individual honors of the game. This blond giant was the pivot around which the Argos played, offensively and defensively revolved and although he was called upon to bear the burden of the back field work, he always acquitted himself creditably. He was very sure with his hands, but on the several occasions when he fumbled the ball, he either recovered himself or found one of his team-mates to do the ball. His cheery smile and good clean playing won him many friends in the capital.

The Blue and White, however, is not a "one-man" team. Batstone, running mate of the Toronto star, is a strong, brainy player and on two or three occasions dashed through the Ottawa line for big gains in a manner as spectacular as that of the greater star. The visiting wing line also played good strong football, with Britnell, Slirrett and Push outstanding.

TIGERS BEAT M. A. A.
MONTREAL, Oct. 29.—For the fifth time this season in as many starts, the Montreal football team suffered defeat, this time at the hands of the Hamilton Tigers on Saturday afternoon at the M. A. A. grounds, by a score of 20 to 10. The game, the last of the Big Four series to be played here this year, was witnessed by 2,500 spectators, and was a most interesting, long much to be desired in the way of good football. Play was open, however, and marked by rapid scoring, two touchdowns coming in the first five minutes of play, which added somewhat to the interest.

KITCHENER FOOTBALLERS BROKE LOSING STREAK 7-6

KITCHENER, Oct. 30.—Kitchener's intermediate rugby squad broke their losing streak on Saturday at Guelph's expense when they took a hard-fought game from the Blue and White at Waterloo Park by a seven to six score. Jack Hemphill was the star of the game, his sprinting and tackling being largely responsible for the local victory. Kitchener scored two in the first quarter. The loss of Sessions, their star punter, who was taken out of Saturday's game with three broken ribs, is adding it on with a vengeance.

The Line-ups:
Kitchener—Hemphill, F. W.; Guerlin, H. H.; Bull, C. H.; Box, L. H.; Brb. Quarter: Jamieson, snap; Querin, R. J. L. Hearn, R. M.; Schnurr, R. O.; Schell, L. J.; Schaefer, L. M.; Stewart, L. O.; Zinn, Hauch and H. Hearn, spares.

Referee—Kilgour, Galt.
Judge of play—Curley, Kitchener. Before the main game a contest between the St. Jerome Collegians of Kitchener and the Rexal Club of Waterloo, resulted in a 21 to 0 win for the Collegians.

TECHS MEET WEAKENED L. C. I. TWELVE TODAY

Collegiate Jeopardized Chances With Saturday Exhibition and Additional Casualties.

With a game on against Techs today and another scheduled with Woodstock during the week, the L. C. I. considerably jeopardized their chances for the championship of the Middlesex and Oxford Rugby Union by staging an exhibition game against the Woodstock College O. R. F. U. junior team on Saturday.

The squad already had a big injury list with Morris out and Hunter and Beard limping around with painful injuries. The loss of Sessions, their star punter, who was taken out of Saturday's game with three broken ribs, is adding it on with a vengeance.

Techs Going Good.
Techs, who have been going great guns the last few weeks, it is figured would give the L. C. I. a battle at their full strength. Weakened as they are, Techs are almost bound to take today's fixture and get back some of that 25-0 defeat handed them by the start by the Old Gold and Purple.

Lawrence will likely do L. C. I.'s kicking this afternoon over at Tecumseh Park. While he does not boot as far as Sessions, he is accurate and has a good pair of hands. In, Penny, who is able to play for short periods, but with Techs much improved in weight and style on the line attack, Beard's presence will be needed every minute.

Bill Mace will handle the game, which marks the second clash of the two teams.

BRANTS HELD DUNDAS TEAM TO 2-0 SCORE SATURDAY

Referee Craig's Work Voted Very Raw By Brantford Fans.

BRANTFORD, Oct. 30.—In a hard-fought game here Saturday Brantford O. R. F. U. Intermediates held Dundas to a 2-0 score, and the claim is freely made that but for Ross Craig, referee for Dundas, the outcome would have been a Brantford win. George Mossley, Brantford umpire, finally refused to work further, declaring that he was using his football knowledge to play for Dundas, and it is significant that the Brantford team was penalized 80 yards to Dundas' 10 yards and in one instance Craig refused to allow yards when the ball was plainly beyond the Dundas line. The referee was forced to play out at the end of the ninth lap owing to engine trouble.

The Dundas side car—M. Hay, London. Time 4:56.

HAS MONEY BUT WANTS GLORY

WILLARD IS A MILLIONAIRE BUSINESS MAN BUT STILL—

HE WANTS TO FIGHT IN THE PRIZE RING

THAT IS BIG JESS' trouble. He would fight Dempsey for nothing. He wants the thing he can't buy—the honors of the prize ring.

The more money Willard makes, the more dissatisfied he becomes. For his signing with Promoter Rickard for a title fight follows closely a new oil strike that Jess has just made near Eureka, Kas.

Three months ago the former champion leased 9,000 acres in Greenwood County, Kas., and soon after brought in an oil well, his first at that place. Now he has resold one-fourth of his leases there for more than \$500,000. Willard has been a keen businessman

ever since he began making money in the prize ring. Before he entered the oil game he made money on a ranch near Lawrence, Kas. Many other men there had a hard time getting returns.

"Willard is a popular around Eureka. As 'common as an old shoe' when they talk of him, but 'like a clam' when they bring up the subject of pugilism."

Residents of Eureka think someone's spoiling when they read stories that Jess is going to fight Dempsey again.

"Don't see how he can afford to take time away from his oil business," said Sylvester Forrester, millionaire oil man of Wichita. "He's making too much money without going back to the fight game."

Still, it's not the jungle in his pocket; it's the buzzing in his brain!

HARD OILS HOLD TORONTO TO TIE

Petrolia Proves Intermediate Game Fast As Senior.

PETROLIA, Oct. 29.—The Petrolia intermediate held the fast-traveling Toronto to a tie here today in one of the best football games ever staged on the local gridiron. Each team scored ten points and play was close throughout. Toronto played a kicking game in the first half and scored four points on two conversions. Petrolia's line instead of kicking. Toronto led at half-time by 4 to 0.

The Hard Oils started the second half with a rush, bucking their way right down the field and over for a touchdown, making their yards six successful times. Wilson converted, putting Petrolia two points in the lead. Toronto came to life right away, and with spectacular back field passing, they carried the ball up to Petrolia's ten-yard line, from where they bucked over for a try. Coult failed to convert.

Field Goal Ties It.
The Green and White came right back in the last quarter, and Wilson tied the score with a neat field goal from 40 yards out. Both teams then kicked at every opportunity in an attempt to break the tie. Each scored a rouge, making the final score 10-10. Petrolia showed a superiority on the wing line, while Toronto's had an edge on the back field and in tackling. Coult outkicked Wilson throughout. The result of this game goes to show that the rugby played in the senior series is not a bit superior to that played by the intermediates. Houston, Salisbury and Currie were the outstanding stars for Petrolia. Wilson, Coult, Ryder, Benson, middle, Mandeville and Currie were Toronto's most effective men.

The Line-ups:
Toronto—Ponton, Coult, Thomas, halves; Shatz, flying wing; Garnet, quarter; Bobby, snap; Watt, struts; Ryder, Benson, middle; Fatchell, Healey, insides; Garish, spare.

Petrolia—Houston, Wilson, Currie, halves; Gleason, flying wing; Hopper, quarter; Wilkinson, snap; Salisbury, Callahan, outside; J. Elliott, B. Elliott, middle; White, Mandeville, insides; Churchill, Smith, Howlett, Parkes, Misselbrook, spares.

Referee—Sturtevant.
Umpire—Hale.

MCGILL OUT-PUNTED

Shag's Protegees Better On Line Work, Though Varsity Held in Pinches.

TORONTO, Oct. 30.—Playing a kicking game all through, Varsity defeated McGill at the Stadium here on Saturday afternoon by a score of 15 to 2 and attained a position of advantage for the Inter-collegiate "Varsity" victory was largely due to the superb exhibition of kicking by Somerville and Snyder and the superiority of condition of the Blue and White players over the wearers of the Red and White. Before the game neither coach would give any indication as to the style of game to be followed by his team for the battle, but Dr. Maynard, by replacing Patterson with Somerville, indicated that the game started, showed that the locals would depend chiefly on the booting of his great pair of backs and the range of his line.

McGill Outkicked.
Somerville and Snyder out-kicked and out-caught the McGill backs and they more than overcame the superiority of the McGill line.

It must be admitted that the Montrealers looked better on the line, they made yards of plunges many times during the afternoon and repeated points on Varsity's 5-yard line when their goal line was threatened and in the second period when McGill obtained possession of Varsity's 5-yard line after plunging through from centre field, the Blue and White headed the pleas of the Varsity rooters to "hold the line" and after the third plunge had been made with but two feet to go, the ball was found 15 inches from the goal line.
