Twenty-Three Dorchester and Crumlin Delegates Urge Rev. Dr. McKay To Refuse.

TAKING CALL

Growth of Religious Education Outlined at London Presbytery.

congregations of Dorchester and Crumlin were in attendance at the afternoon session of the London Presbytery, Tuesday, to oppose the ransfer of their minister, Rev. D. McKay, who has received a call fre the congregation of Bolton, in th Toronto Presbytery. Although expressing the utmost regret at leav McKay, however accepted the call giving reasons which were considered by all present as weighty enough to warrant the change.

member was to be lost who had taken | Health Inspector Richard Sanders. his new charge.

The resignation of Rev. W. M. shortly. Martin as clerk of the Presbytery was received with regret, and a committee appointed to select Mr. Mar- Graydon tin's successor. It is not believed however, that such a step will be necessary for a month or two, a tention of remaining in the city short while yet and is willing to continue the duties of clerk as lon

Appoint Committee.

Dr. D. L. McCrae moved that a committee be appointed to draw up resolution expressing the sympath; of the Presbytery with Rev. W. M Martin, in the death of his wife and with the family of A. S. McGregor in their recent affliction. Dr. McCrae. Rev. J. G. Stuart and John Currie formed the committee.

A handsome banner was awarded Young People's Union of Mc-Bride's Church for having the largest per cent of their members at the oung people's rally, recently held in Knox Church, St. Thomas. Although the society had been in existence only mission, questions how this can be year fifty per cent of its members were in attendance at the rally.

A most interesting report was given at the session by Rev. Dr. Balantyue, who in speaking for the Historical Society, which has been appointed to gather data concerning the Presbyterian early days of the Church in this district, gave facts which claimed the deepest interest of those present. All the data desired has not yet been obtained, and it was urged that the clergy make further effort to gather the information

vanted by the committee. The fact that the work of religious ducation is taking serious hold of the Presbyterian congregations of the London Presbytery was evident in the report of the convener of religious education committee, Rev. T. A.

Symington Growth of Work.

schools of the presbytery is at present 6,332. The whole church membership is 10,850, and the question was asked: "Were ministers giving the Sabbath school and young people's work a proper proportion of their attention?" Signs that more care is given in religious education were shown by the fact that about 100 more teachers are engaged today than a year ago, and that there are nearly double the number of organized classes where training in leadership and expression is giver. the total enrollment of 6,000, there are 3,092, or about one-half of the scholars who are organized for midweek activities. The greatest vance was noticed among girls of the teen age, there being three times as many classes of Canadian girls in in either Canada or United States.

EXPLODES "LIGHTS" SAVING

General Manager Buchanan Says Street Illumination Cost Isn't Half Mill, Even At Present.

CHEAPEST LIGHTED CITY

Utilities Head Shows Bill 55 Cents, Lowest of Any City On Continent.

While the proposal has been voiced that the city council, as a measure of economy, eliminate one-half of the treet lighting to save "an expenditure of nearly one-half mill on the tax rate," General Manager E. V. accomplished, when the total bill for London's street lighting does not

reach a half-mill, he says.
"Even if the city does eliminate half the street lights," explains the manager, "it does not necessarily fol low that the cost would be reduced

by one-half." Mr. Buchanan contends that when ossible London should increase its treet lighting service. "It is claimed," he states, "that the present systém is inadequate. Let it be under stood from the outset in what relation the public utilities commission stands in this matter of street illu-

mination. "The commission is merely the contractor engaged by the city council to Archer, St. James street. erect and maintain the system and Archer will return to London next supply electricity in such quantities week and will remain in the city and locations as the council desires. some time.
