Miss Vera Little

—Wolfe's Photo Studio. Chatham, Ont.—"Dr. Pierce's Favorite Prescription" was such a wonderful help to me in motherhood that I do not hesitate to relate my experience for it may help other women who suffer at this time. During my first expectant period I got into a terribly rundown state of health, my nerves gave way. I was very weak and my kidneys were bad. I was just as miserable as I could be, when, through the advice of a friend, I began taking Dr. Pierce's Favorite Prescription, and from that time on I did not have any more trouble with either my nerves or my kidneys. But kept well and strong and my strength came back very quickly afterwards. My child was very strong and healthy and always has been (picture above), hardly having had a sick day.—Mrs. Cyril Little, 2 McDougall Ave. Any drug store, in tablets or liquid, or send 10c to Dr. Pierce's Laboratory in Bridgeport, Ont., for trial package.—Adv.
