and dirt, but He is here as well as

there."
Dr. MacGregor extolled the great
work the British have done for Egypt

work the British have done for Egypt in the Nile irrigation scheme and in controlling of the maritime plain as "the bridge between Europe and Africa." The speaker characterized it as "inevitable" that, "placing supreme value as it does on the individuel national consciousness

dividual, national consciousness should be awakened in eastern peoples, arousing in them the desire to control their own destiny." Nevertheless, Dr. MacGregor predicted that

Britain would never relinquish her hold on Egypt, at the same time ad-mitting the necessity for seeking the co-operation of the natives in the

Young Rumanian Pedestrian

Reaches City After Two

Years' Walk.

With the object of touring on foot

all the parts of the known world,

John Hompton of Rumania arrived in

London yesterday afternoon. Homp-

ton, an energetic young fellow in his

twenties, left his native land in 1923.

Since that time he has walked

through France, Belgium, Austria,

Bulgaria, Hungary, Czecho-Slovakia and Rumania, and arrived in Canada

hall on his way through the city,

The length and severity of his task

does not seem to worry the young man in the least. He is confident that he will finish his prolonged

stroll some time in 1929, six years after he left his native heath.

With the experience and knowledge he has gained during his half-dozen years of travel, the young Rumanian expects to write a book in his native

language.

After leaving this country, the pedestrian will go to Detroit and continue south through the United States to Mexico and South America,

Continuing on his journey, he will walk through the West Indies. Aus-

tralia, Asia and Africa,

Organizes To Support Their Candidate, John Colbert.

At an organization meeting last night London Labor laid preliminary plans in its campaign to elect John Colbert as the next city representative in the house of commons. The session was well attended by representatives from strong locals and large delegations from the Company to the Women's Labor.

Candidate Colbert read an address to the workers and citizens of Lon-

that the ward chairmen should hold a joint session with their various committees on Friday night to draft a comprehensive program of factory addresses, special drives and other pre-election details. This motion was given unanimous approval. Tomorrow night the executive will meet to consider details of advertising and the general program of addresses.

Dr. H. A. Stevenson and Hubert The surest seat in Ontario, outside of North Waterloo for Mr. Euler, is the general program of addresses.

Dr. H. A. Stevenson and Hubert
Ashplant were among those present at the meeting. The ward chairmen of the Labor

party are: Raymond Smith, ward one; T. W. Pauley, ward two: Donald Wright, ward three; Thomas

CHRISTIE NOMINATED BY PARKDALE LIBERALS

Canadian Press Despatch. Toronto, Oct. 5.—Kenneth Christie received the unanimous nomination here tonight to contest the riding of Parkdale, in the Liberal interest against David Spence, Conservative candidate. Five other names were proposed, but none of them went to the vote. Mr. Christie is the voungest candidate so far nominated o contest a city riding here.

In North Bruce the chances of Col.

By EWART MUNRO.

Western Ontario waits on North
Waterloo Conservatives for a complete lineup of candidates. The last
Liberal to be nominated was H. K.

Woodqueff in Lineal Proprietal Con-Woodruff in Lincoln. Brantford Conservatives made a choice last night. North Waterloo may yet be an acclamation for W. D. Euler, Independent Liberal. At any rate it can be put down in the Liberal column as number one seat. It is the fore runner of several other sure ridings

for the Liberal party in Western There is no reason to believe that any of the seats in this part of Ontario which went Liberal at the last election will change their allegiance, and there is every reason to believe that the Liberals will make considerable gain in the province upon which the Conservatives are depending to put Mr. Meighen in power. The blue-ruin talk is having a tremendous backwash and people are frightened of Mr. Meighen's declarations of interference with the Nation al railways and his promises of additional taxation through a higher

It is a strange commentary on the political attitude of Mr. Meighen and his followers that the Conservatives find their most difficult task in ecuring candidates in the two great ndustrial ridings of North Waterloo and Brantford. It is also signifi-cant that Liberalism is gaining un-expected strength in other industrial ridings which include the cities of Guelph, London, Sarnia, Galt, Stratford, St. Thomas, Woodstock and St. Catharines. It is the unanimous opinion on the streets of Guelph that Hon. Hugh Guthrie will be defeated in South Wellington by Robert Gladstone. R. V. Lesueur faces the same fate in West Lamb faces the same fate in West Lambton, where W. T. Goodison, of
Sarnia, is gaining strength every
day. Brantford will hardly go back
on W. G. Raymond, its brilliant member in the last parliament. M. M.
MacBride would never have hesitated being a candidate if he thought
the Conservatives could have elected

him there.
In Elgin, which includes St Thomas city, Hugh McKillop, Conservative member in the last house, is facing defeat with Indian-like stoicism. Mr. McKillop's election the last time was an accident. Mayor G H. Sloggett is conceded the winner now, although his followers will not make the mistake of being too con

Kent Confident.

In Lincoln, the Liberals are late in In Lincoln, the Liberals are late in the field and they have a popular candidate. J. D. Chaplin, Conservative member in the last house, is not very popular in the ranks of his own party. Down in Kent, where his brother, A. D. Chaplin, is the Tory nominee, the Liberals expect to pile up a majority that will exceed the munist party and the Women's Labor for the commons. Dr. Rutherford, the party. Arthur Mould acted as chair- Liberal, is getting support from un-

expected quarters. Liberals, Progressives and Labor have combined in South Waterloo, which includes the city of Galt, to don. calling upon the electors to aid in remedying the ills of government by putting Labor men at the head of elect William Elliott. The Conservatives have a weak candidate in A. M. Edwards. In North Perth, which in elect william Elliott. The Conservatives have a weak candidate in A. M. Edwards. In North Perth, which in elect william Elliott. Canada's administration.

It was the feeling of the meeting that the ward chairmen should hold a joint session with their various committees on Friday night to draft.

> of North Waterloo for Mr. Euler, is South Grey for Agnes MacPhail. There is no Liberal contestant, and Miss MacPhail had proved herself a practical politician of the first rank. Miss MacPhail doesn't believe in sehasn't become an expert. North Grey have charge of the services.

> > LOEW'S THEATRE

Love's Highroad.

The consoling wail that money does not bring happiness is the motif of Love's Highroad, the film offering at Loew's theatre for the first three days this week. Leatrice Joy is the star, who portrays the girlish hunger for the good things that come to those who can purchase comforts

those who can purchase controls and luxuries.

Miss Joy is first seen in the role of an unhappy and even lonely stenographer in Chicago. Her surrounding are not up to the standard of her heart's desire. She meets a man who can place her in the station of her choice.

Though in love with her husband.

station of her choice.

Though in love with her husband, she is eager for his financial success and is wiling to make sacrifices to see him a power in the banking world. This causes estrangement. It

is only when she learns the lesson that love is the worlds greatest riches that she turns from the lust

for money to her husband.

Stanley and Elva provide a thrilling slack wire act. Lady Tsen Mei, who has at least on one occasion delighted audiences here in the past is
