VOL. L., NO. 59

HAYWOO

DEFENCE

land himself, but it is of that the state will not that the state will not land as a witness.

It is claimed by the defe Parland told Swain that it from Harry Orchard when Haywood paid him dicator job he took him Denver banke to dray the state of the Swain was standing at the saw them. It is said for said the said for the said that the

portance as evidence and urged him to recall it an urged him to recall it an urged him to recall it an witness in the case. Detectand denies that he eve anything improper to Swine got the letter as dorchard, who wrote that Sthe door of the bank and lieved Swain might remen him. He says that when see Swain the latter said the tot tell whether he remincident or not, and asked interview. Mr. McParlaithat he there dropped the did not again see Swain.

Allen F. Gill, formerly chanic of the Tiger and Po and later city engineer and his wife, were also with defence today. They lated that the tree torchard attemplated in the tree torchard attemplated. ated that Orchard atte

the Coeur d'Alenes, and I saw Orchard in Spokane fore he killed Steunenbe that Orchard said that it of Steunenberg that he lo est.
Other than for the interrellef afforded by the intrellef afforded by the intrellef afforded by the intrust was given over to the rearest of the San Francisco. The man who built the Flats, the plumbers who lighting system, the firement after the explosion and tors and the men who rouse all deposed at great detail. The weight of their to favor the gas explosion one of the the testimony sive, and the whole questi sive, and the whole ques fought before and decided

The last of the deponents and and from him heard the Hercules mine, with threat that he was going nenberg for driving him country." Country." Moyer, preside Western Federation of Min brought from the country row to give testimony in broadendant. It is expect will be called shortly after it will take about all of the day for both sides to con examination of him. He in time to permit the calli wood, but the chances are defence will so shape its ar as to call him on Thursda as to call him on Thurs rather than at the close

Boise, Idaho, July 10.—
Moyer went on the stand
witness for his fellow-ded
W. Haywood, and besid
positive denial of all the
tributed to him and the of
ation leaders by Orchard,
explanation of the unsol
pearance of the Western
of Miners as the defender
Orchard after his arrest a
for the murder of Steunen
He swore it was Jack Sir
engaged Fred Miller to go
to represent Orchard, then
Thomas Hogan, and that
the request of Simpkins ta
and Haywood subsequently
\$1,500 from the funds of t
tion to meet the expenses
ing Orchard. Moyer made
