A GAME THAT DIDN'T WORK. How some St. Thomas Poker Players Were Taken In.

From the St. Thomas Times. A capital story of some gamblers of this city got taken in recently has just come to light.

They determined to put up a job on a man from Aylmer, who is in the habit of coming here every little while and getting drunk.

He has money and is ready to play at such times. One of the boys fixed the cards so as to give him three queens and a pair of nines.

He gave one of the other boys the four jacks. The man was so drunk he didn't notice the pair, and drew two more cards, and as luck would have it drew the other queen.

The boys thought they knew how matters stood and bet one at that. The victor had the most money and raised the bet of the man who held the four jacks every time.

The latter, sure of the game, however, all the while the other fellows had and put it up. Finally the supposed dupe called him up and showed up his four queens.

There, there was a very demoralized crowd. The old man, however, of the cash, and the game was never tried on him again.

TO ALL SPRINGERS—Strikers would do well to consider that a liberal offer has been made for going elsewhere. They are in sympathy with the present movement, and to show that they are agree to supply from their own pockets—the largest in the city—of boots and shoes, trunks and valises, any goods strikers need at actual wholesale prices, which will guarantee 25 per cent below the retail price. Need we say Gallina's immense boot and shoe emporium is at 215 Yonge street, three doors south of Albert. 246

Annexation and Independence.

From the Herald, Fredericton, N.E. There never was an annexation movement in Canada, although there are a great many people who favor annexation. If we substitute for the annexation provision of the New York World "the independence movement will gain strength," we should be disposed to think the prophecy would fully come to pass.
