Warsity Lives up to Its Bide China.

Many are the noble creations of God, but none is more noble than man. He sails beyond the sea and gleaves his way through the waves that see and gleaves his way through the waves that with an undecaying Earth he furrows with his sea and gleaves his way through the waves that with a display. Graining up her soil with the office of the monsters of the wind, and undecaying Earth he furrows with his see and gleaves his way through the waves that with the office of the monsters of the wind the wave that with the office of the monsters of the wild, and the marine race of the deep in the inwoven meshes of bis neis he secures for himself, And he makers by his devices the tenant of the under the neck-encircling yoke the shargy-under the neck-encirc Varsity Lives up to Its Bine China.

And who is Sophocles?

He lived twenty-three centuries ago. To say he was the Shakespeare of the Greeks briefly defines him, and the definition is not uncomplimentary to the author of "Hamlet,"

London, Jan. 17.—Sir Charles Tupper, Canadian High Commissioner in London, in speaking in Wolverhampton this evening briefly defines him, and the definition is not uncomplimentary to the author of "Hamlet," the unity of the Empire. Separation of the unity of the Empire.

uncomplimentary to the author of "Hamlet," either.

Then he would have been a trump card in the hands of a New York manager?
Decidedly so. He wrote over 100 dramas, which are for the most part constructed on the most approved arts for producing histrionic effects. He kept his audience mystiged the interval of the last century toward the American adopted in the last century toward the American and ones the American union might now be fled, their minds pendulating between doubt, onies the American union might now be fear, hope and other mental sensations. But why are they talking about Antigone

California and Mexico.

What a treat, then, it must be for the people of Toronto to get an insight into the been in session since Tuesday. To-day the

what a treat, then, it must be for the people of Toronto to get an insight into the giant intellect of Sophocles, to compare his play-building with that of the moderns, to get a glimpse of his beautiful imagery and pectic word-painting!

Certainly, if you understand Greek.

But they are not going to give it in Greek surely?

Of course; that's the beauty of it. The play is to be produced true, right down to the circumflex accent on the penultimate, true to the proclities and the enclities, true to the circumflex accent on the penultimate, true to the proclities and the enclities, true to the circumflex accent on the penultimate, true to the proclities and the enclities, true to the proclities and the enclities and the enclities and the enclities and the enclities and the encli

***The peculiar decline and advance in the price of refined sugars at New York within the past two weeks is explained by the following statement: "Sugar planters in Cuba, being pressed for money, borrowed extensively from Cuban banks on the big crops of last year. The banks became nervous and threatened to sell the collateral. This would have made cheap raw sugar. Suddenly the Rothschilds stepped in and took up the loan and the great bulk of the Cuban raw crop. The price of refined sugar depends upon how the Rothschilds sell their big stock of Cuban raws.

CARLISLE Issues BONDS.

Subscriptions Asked For \$50,000,000, Issue Per Cents, Te Run Ten Years.

Taws.

We have received volume VI. of January 1894 edition of the Reference Book for Canada, published by the Legal & Commercial Exchange. It reflects great credit on that institution and we have no doubt will be very valuable to the commercial trade of our Dominion. We notice several changes in the compiling of the fundamental matter of the book, which are a decided improvement. There is an extended key, and the ratings have been changed in accordance therewith. The compilation of this book is entirely from the hands of Canadians, the enterprise the result of Canadian capital and the entire outlay spent in Canada.

The highest price of cash wheat in New Five Per Cents, To Bun Ten Years.

Secretary Carlisle to day issued a circular offering for public gubscription an issue of bonds of the United States to amount of \$50,000,000 in either registered or coupon form in denominations of \$50 and upwards, redeemable in coin at the pleasure of the Government after 10 years from date, their issue and bearing interest payable quarters by in coin at the rate of five per cent. Per annum. No proposal at a lower price than 117.223, which is the equivalent of a three per cent. bond st pay have been changed in accordance therewith. The compilation of this book is entirely from the hands of Canadians, the enterprise the result of Canadian capital and the entire outlay spent in Canada.

The highest price of cash wheat in New
