RHEUMATIC AGONY.

Nothing Reached the Root of the Trouble Until Dr. Williams' Pink Pills Were Used.

"I suffered almost untold agony from rheumatism. For several weary months I was confined to bed. I had the best of medical treatment, but nothing seemed to reach the root of the disease until I used Dr. Williams' Pink Pills. These have completely restored my health." This strong emphatic statement is made by Mrs. Edna Morrill, of Woodstock, N. S., a lady who had practically been given up as incurable by doctors. She further says:—"I suffered for over two years and rheumatism seemed to be firmly implanted in my system. At the outset I was able to attend to my household duties, but at night I suffered the greatest pain. I at once began to take medicine but my condition actually grew worse. I was attended by a skillful doctor but was ultimately forced to remain in bed, suffering untold agony with every movement. Finally the doctors told me the trouble was incurable. One day I was advised to try Dr. Williams' Pink Pills, and I decided to do so. Presently the pains were not so severe, and I began to feel myself gaining. Shortly after I was able to go about, and in less than three months I was perfectly well. For this condition my thanks are gratefully due to Dr. Williams' Pink Pills." Dr. Williams' Pink Pills cured Mrs. Morrill by driving the rheumatic poison out of her blood. They actually make new blood. They don't act on the bowels. They don't bother with mere symptoms. They go right to the root of the trouble in the blood. That is why they have cured the worst cases of anaemia (bloodlessness), headaches and backaches, kidney trouble, indigestion, neuralgia, nervousness and the special ailments of girls and women whose blood supply becomes weak, scanty or irregular. Sold by all medicine dealers or by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

JUBILEE AT WISEBEACH.

Impressive and Interesting Services in the Anglican Church.

Very interesting services were held in St. Paul's church, Wisbeach, on Friday evening (St. Paul's day). The occasion was the jubilee, or fiftieth anniversary of the building of the Anglican church in that place. There was a large congregation, which filled the sacred edifice in every part. The choir of St. Mary's church, Warwick, rendered with very excellent effect, the musical part of the service, consisting of anthems, chants and hymns. The officiating clergy were Ven. Archdeacon Richardson, Revs. J. W. Jones, of Adelaide; S. P. Irwin, of Watford; J. Hughes, of Thedford, and W. M. Shore, rector of the united parish of Warwick and Wisbeach. At the close of the singing of the anthem, the rector read a short historic paper, full of interesting data, reviewing the life and work of the church since 1833, when services were begun in the house of Cap. Alison, until 1856, when the first church building was erected. After serving for just fifty years the old church was rebuilt, and the present beautiful structure, with well proportioned chancel, handsome stained glass and windows, several memorials, and generally effective interior, was set up in its place. The record contained the names of prominent active churchmen, and the several rectors who have ministered during the half century.

The jubilee sermon was preached by the Archdeacon of London from Lev. xxv. 2: "A jubilee shall the fiftieth year be unto you." After reference to the memorable Jewish commemoration period he gave a sketch of the Anglican church from the apostolic age down to the present; its chequered career, expansion, and development before and after its reformation. The planting of the church in Canada, and its growth was mentioned, and its working under nine devoted rectors in Wisbeach. The Archdeacon paid high tribute to the faithfulness and zeal of the present incumbent, Rev. W. M. Shore, who enjoys the respect and affection of his people, and to whose fruitful ministry is due the splendid church building recently completed. He urged the claims of the church upon all present, and expressed the hope that it might bring blessing to all connected with it. The happy jubilee celebration will be long remembered by all who participated in it.

Had to Marry Her.

Port Huron, Mich., Jan. 29.—Fred Rushnell, a farmer from near Belleville, Ont., who had been enticed to Port Huron by Emma Rushnell, the young widow of his brother, was yesterday forced by the court officials into a marriage with the woman. When Rushnell was confronted with the situation and told that he either had to marry the girl or spend ninety days in the House of Correction at Detroit, he chose marriage. The ceremony was performed immediately, and the pair left this evening for Belleville.
