BASEBALL

WATFORD POUNDS BRIGDEN HARD—12-1

The locals did not worry over the game in Brigden on Monday evening; half the regular line-up stayed home and gave the substitutes a chance to get in on the sport. It was a slugging exhibition from start to finish.

However, all efforts are being put forth to handle Oil Springs here on Friday night. Although Oil Springs have previously worked a little black magic and lodged terror in the hearts of the locals, they are confidently expecting a win on Friday.

Then on Monday the most spectacular game of the season will develop here when we meet Forest for the third round. Although we trimmed Forest the first two games, they crowded us out in the last game on the bottom end of a 4-2 score. As this is the game all the fans of the county have been looking forward to with great interest, representatives from every town in the League will no doubt be present to watch both teams in action. This is your chance to see the biggest game this year in Lambton County. Don't miss it.

Each game called at 5.30 p.m. Admission 25c.
Forecast—Fine and warm.
Forecast—Both good wins for Watford!
