Sores Flee Before It.—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy as there is nothing like it to be had. It's cheap, but its power is in no way expressed by its low price.

WANSTEAD

Mr. J. C. McNeil spent the weekend in Sarnia with Vincent McNeil, who is recovering slowly from a serious illness.

Ross Garnham and George Claypole left recently for Detroit. Thus rural depopulation goes on. Where is it going to end?

A pleasant afternoon was spent at the home of Mrs. Russel Alexander on Wednesday, May 16th, the occasion being the regular meeting of the U.F.W.O. Club. Fifteen members and one visitor were present, despite the inclement weather. Mrs. Elma Ramsay read an article entitled "Does Education Educate", after which an interesting discussion on the U.F.O. Convention and subjects relative to the coming election was held. The meeting closed with the National Anthem, after which the hostess served lunch. The June meeting will be held at the home of Mrs. W. Alexander.

This vicinity was well represented at the U.F.O. Convention held in Watford on May 15. Disappointment was expressed by some over the results of the convention but we should ever remember that the great fundamental principles on which the U.F.O. rests are of greater and more lasting importance than any one man in the organization. Men may come and men may go but principle goes on forever.

The Wanstead Farmers' Club will hold hogs Saturday, May 26th.

WOMAN SUFFERED FOR MONTHS

Weak and Nervous. Made Well by Lydia E. Pinkham's Vegetable Compound

Webbwood, Ont.—"I was in a very weak and run-down nervous condition, always tired from the time I got up until I went to bed. Sleep did not rest me at all. My sister recommended Lydia E. Pinkham's Vegetable Compound to me and others told me about it, but it was from my sister's advice that I took it. It did not take long until I felt stronger, headaches left me and my appetite came back to me. I am a farmer's wife and have many things to do outside the house, such as milking, looking after the poultry, and other chores. I heartily recommend the Vegetable Compound to all who have the same trouble I had, for it is a fine medicine for women."—Mrs. LOUIS F. EGGASER, Hillcrest Farm, Webbwood, Ont.

Another Nervous Woman Finds Relief

Port Huron, Michigan.—"I suffered for two years with pains in my side, and if I worked very much I was nervous and just as tired in the morning as when I went to bed. I was sleepy all the day and didn't feel like doing anything, and was so nervous I would bite my finger nails. One of my friends told me about Lydia E. Pinkham's Vegetable Compound, and it helped me so much that I soon felt fine."—Mrs. CHARLES BEELER, 401-14th St., Port Huron, Mich.

Women who suffer from any feminine ailment should try Lydia E. Pinkham's Vegetable Compound.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. Corns are painful growths. Holloway's Corn Remover will remove them.

Internal parasites in the shape of worms in the stomach and bowels of children sap their vitality and retard physical development. They keep the child in a constant state of unrest and if not attended to, endanger life. The child can be spared much suffering and the mother much anxiety by using a reliable worm remedy, such as Miller's Worm Powders, which are sure death to worms.
