

CHICAGO MARKET.

BEARS HAVE THE ADVANTAGE.

Wheat and Provisions Decline.

CORN STEADY.

Chicago, Oct. 4.

Cables dull and easy. Bears selling even at present low price; and increase of nearly 2,000,000 bushels in visible yesterday, was the cause of to-day's lower range in prices for wheat. Dec. opened at 61 3/4 to 61 1/2 and remained fairly steady for a long time, but finally yielded to the inevitable and closed at lowest price for the day. May maintained a much better front and closing at about yesterday's prices.

Corn was steady to strong, yield reported lighter than first estimates gave. It gains 1/2 on the day.

Provisions were weak on yellow fever reports. Pork was 20c lower, and Lard loses 1 1/2 per 100 lbs.

THE SILVER BELL MINE,

Reorganization of Company.

Will at Once Commence Operations.

CAPITAL \$500,000.

Old Shareholders Receive Share for Share in the New Company Just Formed.

From the Rossland Leader 26 Sept '98.

An extraordinary meeting of the shareholders in the above company took place yesterday afternoon in Messrs. Kennedy & Harris' office, to consider the reorganization of the old company by disposal of the assets of the same to an eastern syndicate who agreed to furnish the necessary capital to place the property on a sound financial and working basis; 775,000 shares were represented yesterday at the meeting and after some preliminary business was transacted of an unimportant nature, the meeting adjourned to be continued last night in McDonald, Clute & Cronyn's office.

Mr. Harris presided, Mr. W. B. Townsend acting as secretary. After hearing the proposals of Capt. Currie, of Currie & Keitley, Toronto, representing the Eastern syndicate regarding the basis of the proposed resuscitation, it was unanimously resolved "that the assets of the company be disposed of to that gentleman on behalf of the company. This will henceforth be known as the Silver Bell Consolidated Mining company and will have a capital of \$500,000, divided into 2,000,000 of 25 cents. The old shareholders will receive share for share in the new company and it was arranged that the stock so held should be pooled. The new company also reserved the right to assess the old shareholders as high as one cent per share to insure the protection of treasury stock amounting to 1,000,000 shares.

Messrs. John Harris, Urn Harp and A. R. McDonald were elected directors, and after passing a vote of thanks to Capt. Currie, John Harris, and W. R. Townsend for their exertions on behalf of the company, the meeting then adjourned.

The new corporation, which will now be provided with ample capital, will commence work at once on their property. It is quite probable, moreover, that their sphere of operations may be extended by the acquiring of other interests in the shape of mining properties.
