DOMINION CATHOLIC READING CHARTS

THESE CHARTS, 27 in number, give in most attractive form, the essentials of Primary Reading. They are for beginners, and adapted for use with any Primer or Child's First Reader.

THE WORDS

Are of one syllable, simple, short and well known to children. The New Words appear at the head of the Reading Lesson in which they are first used, to be learned by sight. They are mainly phonetic, without silent letters, and each letter represents but a single sound in the first 17 Lessons.

THE READINGS

Fifty illustrated, are simple and well-graded Object and Language Lessons, in connection with Script for use with the Word and Sentence Systems and the Alphabet and Phonetic Methods, wholly or in part as teachers may prefer.

THE WRITING EXERCISES

For practice in Script Reading and Slate and Blackboard Work are given from the first. They satisfy every need and thus save the expense of Writing Charts.

Special Charts of the Alphabets, both printed and written, of Marked Letters and Sounds, and of Colors are embraced in the set.

Of Large Size, they may be seen at a distance, and used with equal facility by many or few pupils at the same time.

ONE SET,

27 Charts, mounted on 14 boards, size 23½ x 32½ inches, \$9.00

I CURE FITS!

When I say I cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I want my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. Give ADDRESS and POST-OFFICE.
