# To Our Patrons :

On the 1st of December we shall advance the price of draught

## ALE, PORTER AND LAGER

five (5) cents per wine gallon, and on bottled Ale, Porter and Lager twenty-five (25) cents per dozen quarts.

While we very much regret being obliged to take this step, yet the present high price of hops, with prospects of their being still very much higher, and with no hopes of any relief until the next crop is gathered (nearly a year from now) have necessitated this small advance, which we can truthfully say will far from recompense us for the difference in price of hops now and a few months ago. Thanking you for your kind favors in the past, and sincerely trusting you will acknowledge the justice of the above.

We remain very truly yours
