THE RENOWNED REMEDY!
HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS UL-
CERS.—A CASE CERTIFIED BY THE MAYOR OF
BOSTON.

Copy of a Letter from J. Noble, Esq, Mayor of Boston,
Lincolnshire.

To Professor HOLLOWAY
Dear Sir—Mrs SARAH DIXON, of Ligonard Street,
Boston, has this day shewn before me that for a consi-
derable period she was severely afflicted with Scrofulous
Sores and Ulcers in her arms, feet, legs, and other parts of
her body, and although the best of medical advice was
obtained, at the cost of a large sum of money, she continu-
ed to labour in it, suffering, but gradually grew worse.

AN EXTRAORDINARY AND RAPID CURE OF ERYSI-
PELAS IN A CHILD, AFTER MEDICAL AID HAD
FAILED.

Copy of a Letter from Mrs Elizabeth Yates, of the Post
Office, Dulwich, South, near Brompton, Surrey, dated
Jan. 13th, 1853.

To Professor HOLLOWAY.
Sir—I suffer'd for a considerable period from a severe
attack of Erysipelas, which at length settled in my leg, and
resisted all medical treatment. My sufferings were very
great, and I was despaired of any permanent amend-
ment, until I was advised to have recourse to your Oint-
ment. I did so without delay, and am happy to say the result
was eminently successful, for they effected
a complete cure of my leg and restored me to the enjoyment
of perfect health. I shall ever speak with the utmost confidence
of your medicine, and have recommended them to others
in the neighbourhood similarly afflicted, who derived
great benefit.

I am, Sir, your obliged and faithful Serv't.
[Signed] ELIZABETH YATES.

A DREADFULLY DISEASED ANGLE CURED AFTER
BEING GIVEN UP BY THE FAMILY, AT MALDEN
AND PORTSMOUTH HOSPITALS.

The following important communication has been forward-
ed to Professor Holloway for publication, by Mr B.
Dixon, Chemist, King-st, Norwich.
Copy of a Letter from Captain Smith, of Great Yarmouth,
dated January 19th, 1853.

To Mr DIXON
Dear Sir—I read you the particulars of a cure effected
by Professor Holloway's invaluable medicines.—Mr JOHN
WATSON, late of Her Majesty's Service, in the British
Fleet at Malta, had a very bad ulcerated angle, and after
having been in the Malta Hospital for six months, was
sent to England as an invalid to Portsmouth Hospital,
where he remained four months there, as at
Malta, remaining in the angle amputated, he was turn-
ing incurable. He then came to Yarmouth, and was
sent to the medical gentlemen for about three months, but
without any success, so that all hope was lost.
By my advice, he tried Holloway's Ointment
and Pills, which by uninterrupted application, healed all the
sores, and restored him to perfect health and strength.
I remain, Dear Sir, your very truly
[Signed] JOHN SMITH.

WORTHINGTON, Great Yarmouth.
SCORFING CURE OF A BAD BREAST, NERVOUS
DEBILITY AND GENERAL ILL HEALTH.

Copy of a Letter from Mrs T. F. Kee, Chemist, &c.
London, dated March 27th, 1853.

To Professor Holloway.
Dear Sir—I have great pleasure in forwarding to you
the particulars of a very extraordinary cure of a bad breast,
which I had by the use of your celebrated Ointment and
Pills.—Mrs MARY BIRD, of Pitt Street, in this Town,
had a very bad breast, a terrible time labouring under nervous
debility, and general ill health, which had
been attended with a very bad breast, which she had had much
difficulty in the use of all the known remedies for the
cure of it, but without any beneficial result, in fact
she had nearly lost all faith and hope of a cure being
effected. I then advised her to try your Ointment and Pills,
and she was persuaded to have a recourse to your
invaluable Ointment and Pills, which she immediately
did, and in the course of a very short time the effect
produced was so extraordinary, her appetite was speedily
restored, the sores and ulcers in the breast gradu-
ly healed, and the nervous excitement of her system was
wholly removed. I remain, Dear Sir, your faithful Serv't.
[Signed] T. FOSTER RILEY.
