THE INFALLIBLE REMEDY. HOLLOW'S OINTMENT.

ERYSIPELAS OF EYE YEARS DURATION CURED. Copy of a Letter from Sinclair, Esq. of Paris, Canada, the 10th July, 1854.

To PROFESSOR HOW.

Sir, I feel a pleasant pride in hearing witness to the wonderful benefits derived by the use of your invaluable Ointment and Pills. For eight years I suffered unceasingly attacks of erysipelas: large purple blotches came over my body; in addition to the unpleasant feeling of burning, which affected me both night and day, and rendered life a misery to me, as well as to all around me, was the attack. I used several reputed remedies without deriving the least consolation to my misery, but I determined to try your Ointment and Pills, and in a few weeks, a visible improvement took place, and I feel considerably better:—In three months continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully, Geo. SINCLAIR.

Sir, My sister, Jane Tomkinson, suffered for a great number of years from a bad leg: in which there were several deep and old wounds, defying the skill of some of the eminent of the medical faculty a variety of remedies also used unsuccessfully: and it seemed to me no more was any thing capable of mitigating the pain endured. At length, she had recourse to your Ointment and Pills, and after using them for about five weeks she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection these facts being published, if you feel disposed to them known.

I remain your most obedient Servant, EDWARD TOMKINSON.
