

Poetry.

THE TEST OF LOVE.

"Lovest thou me? Feed my sheep."

CHURCH! Lovest thou thy Lord!
Then seek His straying sheep,
Then gather from thy richest board,
And round thee from thy sleep;
Nor rest till from the world of sin
The wanderers all are gather'd in,
To his one fold restored.

On prairies of the west,
Where sounds no note of prayer,
Where rises no hollow'd ark of rest,
His scatter'd lambs are there!
Send pastors to that distant land
To feed His flock with tender hand,
With ever-watchful care.

The Red man claims thy aid
In forests dark and dim,
Where all his earthly prospects fade,
Yet Jesus died for him!
And Jesus bids thee seek and feed
The lambs for whom He deign'd to bleed,
In mortal guise array'd.

Far o'er the booming sea
A suppliant voice is heard;
The Ethiope waves his hand to thee,
And breathes one stirring word
"My land is dark with mental night,
But thou art cheer'd by fideless light:
Oh, bid it shine for me!"

From Greece's land divine,
From classic grove and hill,
A cry sweeps o'er the foaming brine—
"We seek for wisdom still!"
Then light that heavenly flame once more
Which dimly burn'd in days of yore,
In every holy shrine.

Amid the fane of Fo,
That soil by miriads trod,
Some pant with fervent zeal to know
The true and living God
Christ's sheep are there, and would rejoice
To hear the gentle Shepherd's voice
Resounding in their woe.

O Church, awake! nor say
Thou lov'st thy LORD in vain,
But prove thy love, and watch, and pray,
His blood-bought lambs to gain,
Thy banner on the field unfurl'd,
Erect in faith that field the world,
His lambs—all those astray.

A MARVELLOUS REMEDY

FOR A MARVELLOUS AGH!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates, through any bone or any fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBU-TIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scars, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has despatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure and ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each part.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Chilblains	Fistulas	Sore-throats
Bad Breasts	Chapped hands	Gout	Skin-diseases
Burns	Corns (Soft)	Glandular Swellings	Scurvy
Huntings	Cancers	Lumbago	Sore-heads
Bite of Moschetoes and Sand-Flies	Contracted and Stiff Joints	Piles	Ulcers
Coco-bay	Elephantiasis	Rheumatism	Wounds
Chilgo-foot	Elephantiasis	Sore Nipples	Yaws
