ANTI-DYSPEPTIC. ANTI-RHEUMATIC

PIL. ANTISEPTIC COMP. is serviceable in atonic dyspepsia, nervous dyspepsia—in fact all forms of this disease, because it strengthens the lowered digestive vitality. The Nux Vomica and Capsicum, besides promoting involuntary contraction of muscular fibre, relieves flatulence and constipation.

The digestive properties of the Pepsin, assisted by the action of the Salicylic Acid and Sulphite of Sodium, in addition to the above, make this an effective remedy.
