

ROBINSON'S 'PATENT' BARLEY

In cases of extreme weakness during convalescence, Robinson's Patent Barley is invaluable. Gradual and steady improvement invariably follows its use.

MAGOR SON & CO., Canadian Agents, MONTREAL

As Convenient and Reliable as Steam itself.

ROBB STEAM ENGINES

are built for continuous service without attention and for all kinds of factories, mills and electric plants.

That's why they are enclosed, positively lubricated, and have positive valve gear.

That's why they are single-cylinder or compound, horizontal or vertical, condensing or non-condensing.

You surely can find in our complete line one that will be convenient—it will be reliable because it's a Robb.
