 of the Dominion. Correspondence Solicited.

SPECIMEN TESTIMONIAL:

ST. MARY'S, ONT., MAY 28TH, 1887.

Frank Wheeler,

DEAR SIR,—I am instructed by the Collegiate Institute Board of Trustees to inform you that the Steam Heating Apparatus put in our Institute Building by you last December has proved highly satisfactory, both as regards the effective way in which the building is heated, and the manner in which the work was executed by you.

The teachers and students no longer complain of cold rooms, or an unequal distribution of heat, but enjoy the comfort of well-warmed and more equally heated apartments.

Yours very truly,

(Signed) A. CARMAN,

Secretary St. Marys Collegiate Institute Board.

FRANK WHEELER,

Hot Water and Steam Heating Engineer,
 56, 58 & 60 Adelaide St. West, TORONTO.

CATCH-QUESTIONS IN ARITHMETIC is the name of No. 5 of our TEACHERS' HELP MANUALS. This book has had an immense sale in England, and the price of the English edition is equivalent to \$1.35 of our money. The edition which we shall have ready on January 1 is the same as the English edition, except that dollars and cents are substituted, where necessary, for pounds, shillings, and pence. The book contains answers and numerous hints, as well as a variety of original ideas. Subscribers to our series of HELP MANUALS get this book and eight others for \$1.50. The numbers already issued are: No. 1, Practical Grammar; 500 exercises. No. 2, Manual of Correspondence. No. 3, Practical Mensuration (with answers). No. 4, Easy Problems for Young Thinkers (with answers). These books have met with wonderful success. We received a single order on November 15 for one thousand copies. Hundreds of smaller orders have been received, and teachers everywhere are delighted with "The New Idea." We have been besieged with requests for free sample copies. Many think that because we give nine books for \$1.50 we can afford to give away samples. We cannot do this. These manuals are not simple pamphlets, but large, neatly bound, elegantly printed books—books which will sell anywhere for 50 cents each, and be considered cheap.

There are only two ways to secure these books: one is to pay 50 cents each for the cloth editions, and the other, to pay \$1.50 a year for the subscription editions. Nine books make a year. Date your subscription back to No. 1, and get four or five manuals by return mail, and the others on the first day of each month. You must subscribe now, if you desire to get back numbers at subscription rates. For a short time we shall continue to send sample copies of the subscription edition to any address for 25 cents each. No. 5 will be worth the full yearly price.

SPECIAL OFFER FOR A FEW DAYS ONLY. We want you to see these books, and to help you to get started, we make this offer. Get two teachers to subscribe with you,—three in all,—and we will accept your subscriptions for one year at One Dollar each. Do not delay, for this is positively your last chance to secure these books at a reduced rate. Valuable premiums for larger clubs. Mention this paper. Address,

THE SUPPLEMENT COMPANY, 50 Bromfield St., Boston, Mass.
