SOLD TO FEBRUARY 1st, 1885.

No other Compound on earth can show a similar record, and no Physician a better one. The highest Medical Authorities pronounce it the only known Specific for Kidney, Liver and Urinary diseases; that it has no equal as a BLOOD PURIFIER, and that it is the best safeguard against contagious diseases, both acute and chronic, keeping the Kidneys and Liver—the great organs of the body—in healthy condition, disease then being impossible. For the many distressing ailments of delicate Ladies, it has no equal. We can furnish over One Hundred Thousand voluntary Testimonials similar to the following. Read them for the good of yourself, your family and your friends. Note how this vast number of bottles was distributed, as evidenced by our sales-books.
