DR. M'LANE'S CELEBRATED

LIVER PILLS,

FOR THE CURE OF

Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; someimes the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough totry it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES OF Ague and Fever, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with his disease to give them A FAIR TRIAL.

GUYOT'S TAR

MONTREAL.

CONCENTRATED PROOF LIQUEUR

Mr Guyot has succeeded in depriving tar of its insupportable sourness and bitterness, and in rendering it very soluble. Profiting by this happy discovery, he prepares a con-centrated liqueur of tar, which in a small volume contains a large proportion of the active principle.

Guyot's far possesses all the advantages of ordinary tar-water without any of its draw-backs A glass of excellent tar-water without any disagreeable taste may be instantaneously obtained by pouring a teaspoonful into a class of water.

Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the forma-tion of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
