Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of theso complaints. EBEN KNIGHT, M. D.

It has relieved sevent from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONBOE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHEREY PECTORAL for giving ease and re-lief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing

proof of the virtues of this remedy is found in its effects upon

lief and comfort. Astor. HOUSE, NEW YORK, CITY, March 5, 1866. DOCTOR ATER, LOWELL: I feel it a duity and a pleasure to in-form yon what your CHERRY PECTOMAL has done for my wifs, She had been five months laboring under the dangerous symp-toms of Consumption, from which no aid we could procure gave her much relief. She was stendily Silling, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet asstrong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitudo and regard, ORLANDO SHELBY, OF SHELEYVILS.

Consumptives, do not despair till you have tried Aven's CHEREY PERTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues. — Philodelphia Lodger.
