The Collegians, which it was first published, with a pleasure we have never forgotten, and which we have found increased at every repeated perusal. Ireland has produced many geniuses, but rarely one, upon the whole superior to Gerald Griffin.—Brownson's Review. 'We have now before us four volumes, the commencement of a complete edition of Gerald Griffin's works, embracing the 'Collegians' and the first series of his 'Munster Tales.' The nationality of these tales, and the genius of the author in depicting the mingled levity and pathos of Irish character, have rendered them exceedingly popular. The style in which the series is produced is highly creditable to the enterprise of the American publishers, and we are free to say that the volumes are worthy of being placed in our libraries, public or private, alongside of Irving, Cooper, or Scott.'—Hunt's Merchant's Magazine.

DR. MORSE'S INDIAN ROOT PILLS.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out.

How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have in our power to put a medicine in your reach, namely Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within.

The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys thus encouraging, they draw large amounts of impurity from the blood, which is then thrown out naturally by the urinary or water passage, and which could not have been discharged in any other way.

The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames, have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures EVERY KIND OF HUMOR.

From the worst Scrofula down to the common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of boils. Two bottles are warranted to cure the worst cancer in the mouth and stomach.

Three to six bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

Directions for Use.—Adult, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years ten spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days.

For Salt Rheum, rub it well in as often as convenient. For Scabs on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.

For Scabs: these commence by a thin, acid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.

For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.

This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BENEFICIAL, Mass., 20th Dec., 1855. DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the common symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out, and had could I show sooner pay twenty-five dollars for a bottle than I would not, or take any other remedy." Croup, Whooping Cough, Influenza.

BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HENRY CONKLIN, M. D.

AMOS LEE, Esq., MONTREAL, L. writes, 24 Jan., 1856: "I had a serious Influenza, which continued for several days, but was completely without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the cough in my throat and lungs; how than one half the bottle was completely well. Your medicine is the cheapest as well as the best we can buy, and we thank you, Doctor, and your medicines, as the poor man's friend." Asthma or Phthisis, and Bronchitis.

WEST MANSFIELD, Pa., Feb. 4, 1854. Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of croup, whooping cough, and is now curing a case who has labored under an affection of the lungs for the last fifty years. HENRY L. PARKER, Montreal

A. A. RAMSAY, M. D., ALABAMA, MONROE CO., IOWA, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such an incurable disease." We might add volumes of evidence, but the most convincing proof of the virtue of this remedy is found in its effects upon trials.

Consumption. Probably no one remedy has ever been known which cures so many and such dangerous cases as this. Some can humanely not reach; but even to these the CHERRY PECTORAL affords relief and comfort.

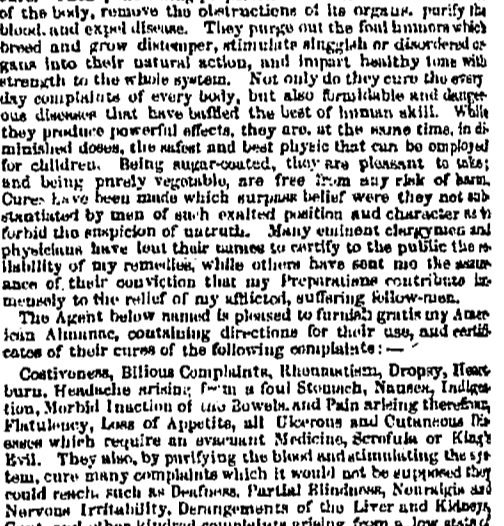

ASHEP HODIN, New York City, March 8, 1854. Doctor AYER: I feel it a great pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which she would probably have perished had she not met with relief. She was scarcely able to walk, and her sleep was entirely gone. Dr. Street of this city, where we have come for advice, recommended a trial of your medicine. We blessed his kindness, as we do your skill, for she has recovered from that day. She is not yet strong, she needs to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard. OKLANDO SHELLEY, or SHERBORN.

Characteristics, do not despair till you have used AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills. THE sciences of Chemistry and Medicine have been too long confined to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which exceed the ordinary medicines, and that they will speedily remove from the system of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activity of the body, remove the obstructions of the organs, purify the blood, and expel diseases. They purge out the foul humors which breed and grow distemper, stimulate sluggish or diseased organs into their natural action, and impart healthy tone and strength to the whole system. They are safe and pleasant to use, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by mass of such overwhelming and characteristc testimony for the efficacy of nature. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of your remedies, while others have sent out the same assurance of their conviction that your Pills are a true and necessary remedy to the relief of my afflicted, suffering fellow-men. The Agent below named is pleased to furnish gratis my Assay of my Cathartic Pills, containing directions for their use, and certificates of their cures of the following complaints: Constipation, Bilious Complaints, Rheumatism, Dropsy, Headache, Neuralgia, Indigestion, Flatulency, Loss of Appetite, all Disorders and Obstructions of the Bowels, and all other Diseases of the Liver and Kidneys. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Nettle-rash and Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be just off by unprincipled dealers with some other Pills they make more profit on. Ask for AYER'S PILLS, and take only for children. No other they can give you comparable with this in its intrinsic value or curative powers. The sick who use the best there is for them, and they should have it. Prepared by Dr. J. C. AYER. Practical and Analytical Chemist, Lowell, Mass. Price, 25 Cts. PER BOX. 250 BOXES FOR \$1.
