

MURRAY & LANMAN'S FLORIDA WATER.—Ladies who are in the habit of using pearl powder which clogs the pores, and prevents evaporation from the surface, would do well to throw it aside, and substitute this pure floral cosmetic, which not only perfumes the skin with a fragrance as fresh as the breath of opening flowers but removes the blemishes which impair the superficial vessels. The astringent washes, lotions, &c., of the day wither and blight the skin, but this healthful aromatic water has an opposite tendency. When diluted with water it is an exquisite tooth wash.

HABITUAL CONSTIPATION.—How to effect a certain and permanent cure.—Some occupations of life predispose to constiveness, especially those which allow but little exercise. Persons who contract this unfortunate habit of body, under such circumstances, might possibly be relieved by changing their sedentary employments for others of a more active kind; but this is by no means certain. Habitual constipation is a very obstinate disorder. All the ordinary so-called remedies, invariably aggravate it. Nothing can be more injurious than the continued use of strong aperients. They at first irritate, and finally almost paralyze the bowels—rendering them so torpid that enormous doses of cathartic medicines have no effect upon them. A mild aperient, combined with a gentle stimulant, is the true remedy; and a combination in the happiest proportion, of these ingredients, is found in *Hostetter's Stomach Bitters*. This famous stomachic invigorates the whole intestinal canal, while quietly removing from its convolutions all impediments to a free passage through them. No more purgative has this double operation. No ordinary stimulant effects the desired object. Cases of constipation abandoned as hopeless by distinguished medical men have been cured in a few weeks by the Bitters. To those who have tried all the medicines of the dispensary in vain, we say try this irresistible stimulant and aperient. There is no sufficient reason why constipation should be the consequence of sedentary habits. *Hostetter's Bitters*, by supplying the vigor which would otherwise be derived from exercise, will in all cases enable the system to perform its excretory functions regularly and healthily. Few physicians even make proper allowances for the excitement in some cases, and are gloom almost amounting to despair, in others, which are frequently the accompaniments of the diseases of females. The truth is, that ladies affected with these visitations often make heroic efforts to conquer them and fall for the want of just such a stimulant and corrective as the Bitters afford. If it would be seen that no blame attaches to her for these aberrations, but that, on the contrary, they should render her the object of a tender sympathy and a fond care.

NOTICE

TO

PARTIES ABOUT TO FURNISH.

THE SUBSCRIBER, thankful for the very liberal patronage afforded to him during the last twelve years in business, wishes to inform them that notwithstanding his determination to give up the retail Furniture business this Spring, partly for want of being able to procure premises large enough to carry on the Wholesale and Retail Business; but having surmounted that difficulty by the purchase of that large lot of ground at the entrance of St. Joseph Street, second street from McGill Street, on which he is about to erect extensive premises, in every way adapted to his largely increasing trade, and attached to which he will have large Workshops, where he will be enabled to attend to the largest orders with which he may be favored. The new Store will be similar in construction and style to the one he has occupied for the past eight years, but double the size, being 60 ft. front, by 97 feet deep, and is to be finished by the 1st of September. He has now released his old stand for another season, where will be found one of the Largest and best assorted Stocks of FURNITURE ever on view in Montreal, and which will be all finished and completed by the 1st of April, part of which has been purchased for gold in Boston and New York at the great gold discount, which will enable him to sell such Goods at less than Boston and New York prices.

—ALSO—

A large assortment of BLACK WALNUT FURNITURE, manufactured expressly to his order in Upper Canada; and from the large quantity ordered and by taking advantage of Cash Trade at this dull season of the year, can be sold below anything yet offered. He intends to mark his Goods this year at a much less percentage of profit and by so doing to double his already very large sales. In order to make room for the new Stock, the balance of his old Stock will be cleared out at cost up to the 10th of April; and to avoid selling at auction, he will offer the above inducements to parties in want of Goods in his line. A great quantity of goods, commonly called old shopkeepers', but nothing the worse, will be sold regardless of prices. All warranted to be as represented, and delivered free of charge.

Ayer's SARSAPARILLA

THE WORLD'S GREAT REMEDY

FOR

SCROFULA AND SCROFULOUS DISEASES.

From Emory Edey, a well-known merchant of

Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish for the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of engraved papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face was smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Savin, Houston St., N. Y.

"Die Avere: I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wabakan, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The doctors were bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as an angel, and in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monroe, M. P., of Newcastle, C. W.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and full confidence in commending it to the afflicted."

St. Anthony's Fire, Roso, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sicker, Esq., the able editor of the

Franklin Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from you, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Reading, Pa. 6th May, 1861.

J. C. AYER, M.D. Dear Sir: I have a long time been afflicted with an eruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your SARSAPARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cured me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude,

Jacobi H. HAIN.

The above certificate is known by us to be true, and any statement from Mr. Hain entirely reliable.

HARVEY BINCH & BRO.,

Druggists, Reading, Pa.

B. W. BALL, Esq., the eminent author of this city, states, 6th Jan. 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of a physician I gave her your SARSAPARILLA. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your SARSAPARILLA."

Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of engraved papers in Nashua, N. H., writes to Dr. Ayer:

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face was as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe to your SARSAPARILLA."

Boston, Jan. 8, 1861.

J. C. AYER, M.D. Lowell—Dear Sir: For a long time I have been afflicted with a humor which broke out in blotches on my face and over my body. It was attended with intolerable itching at times, and was always very uncomfortable. Nothing I could take gave me any relief until I tried your SARSAPARILLA, which has completely cured me.

EMLY CORNACK.

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this SARSAPARILLA.

AYER'S

CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

Publishers' Advertisement:

For years and years we have been asked for a large print Prayer Book, and for one reason or another we delayed getting up one until the present time. We desired to make it, when made, the most complete and the most elegant Prayer Book published either in Europe or America, and we think we have succeeded.

The features which distinguish it from all other Prayer Books are as follows:

I. It contains the principal public and private Devotions used by Catholics, in very large type.

II. The Short Prayers at Mass are illustrated with thirty-seven new plates, designed and engraved expressly for this book.

III. It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, together with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book.

IV. The book is illustrated throughout with initial letters and cuts. It is printed on fine paper, from electrotype plates, making it altogether the handsomest Prayer Book published.
