The regular course of instruction will consist of Four Sessions of six months each, commencing October 1st.

There will be a distinct and separate course for each of the four years.

The lectures and demonstrations in the subjects of the First and Second years will be given in the Biological Laboratory and the lecture-rooms of the University. The new chemical building, which is now completed, will afford unsurpassed facilities for teaching that subject.

Lectures and demonstrations in the subjects of the Third and Fourth years will be given in the building of the Medical Faculty, corner of Gerrard and Sackville streets.

Clinical teaching (largely bedside) in the Toronto General Hospital, Burnside Lying-in Hospital, Victoria Hospital for Sick Children, and other medical charities of Toronto.
