This new Battery invention, with opened or closed cell, for medical use, is more convenient and easier to manage than any other in the market. The price of this Standard Family Battery, as improved, is \$25, and good for a life-time. A valuable book is supplied teaching how to treat diseases generally. Every family should have one. We can produce Batteries for any price, from \$5 up to \$100. Do not fail to see them before you purchase.

See testimonials and references from Dr. John H. Castle, President McMaster Hall; John E. Barber, Esq., Georgetown; Barber & Ellis, Dr. Potts, Toronto.

PROF. S. VERNON, TORONTO,

Dear Sir,—I have not slept for years so soundly as I have done since taking the treatment, and never have I done my work with such comfort and energy as during the past year. The tonic effects of the Electrical applications have been of great benefit to me. I believe every person, whatever his health may be, would find himself benefitted by a greater or less use of Electricity. Very gratefully yours,
GEO. M. MILLIGAN.

S. VERNON, ESQ., Sept. 10th, 1886.

Dear Sir,—I consider it my duty to the public to give the following statement:—I suffered neuralgia of the most excruciating character, in both temples, the pain shooting down into the shoulders occasionally, accompanied by morbid sensations in my extremities. After other means had failed I thought I would try electricity, and, having ascertained that you were the most successful electro-therapist in Ontario, I obtained your services. Through your instructions as to the use of the battery, and from several treatments received at your office, I am now in very good health.

I remain, thankfully yours,

Malvern, P.O. L. D. CLOSSEN, M.D.

St. Marys, Oct. 13th, 1884.

PROF. VERNON,

Dear Sir,—I write to inform you that after six weeks' treatment with your improved Family Battery, my wife's health is much improved, the neuralgia and pain in her head having entirely succumbed. I would not be without it for three times the price. Will recommend it to others.

JOHN HUDSON, Lumber Merchant.

Mr. G. R. Howard, Barrister, Winnipeg, says:—"The Battery has been of great service to us this winter. I would not be without it for \$1,000 if I could not get another."
