American Trust Co.,
65 & 67 YONGE ST.
TORONTO, ONT.

A desirable feature recently adopted by
the American Trust Company which will
be of great advantage to professional
men, bookkeepers, clerks and persons of
small means is the issuing of a limited
amount of instalment stock on which
payments are made monthly at the rate
of \$2 or more per share per month.
When the money paid in on each share
amounts to \$100 this instalment certifi-
cate will be exchanged for a regular full-
paid non-assessable certificate. Interest
will be paid at the rate of 8 per cent. per
annum on the amount of money paid in,
payable quarterly. This will give many
persons an opportunity to take stock who
could not do so were they obliged to make
a large cash payment down, as is gener-
ally the case in the purchase of stocks of
Banks and Trust Companies. This fea-
ture has merits which should not be over-
looked by persons of small incomes, when
they take into consideration that the in-
vestor in the capital stock of Banks and
Trust Companies receives from two to
three times the income of those who keep
their money on deposit, and often from
four to five times the amount, including
the increase in the value of the capital
stock. There can be no doubt that the
Company will find the demand for this
stock which the plan so well deserves.

After conducting the Morvyn House School
fifteen years, I am about to retire, to be suc-
ceeded by my niece, Miss LAV. She has been con-
nected with the School over ten years, and I
have the fullest confidence in her ability to carry
it on successfully, according to the same general
principles on which it has hitherto been con-
ducted. I have no doubt that under her management
the School will enter upon a fresh career of use-
fulness and prosperity.
