

ADVANTAGES UNDER INVESTMENT CONTRACTS.

A great variety of plans of insurance on the tontine and semi-tontine systems, under various names, have been introduced by life insurance companies operating in Canada and elsewhere, but there are none containing the special advantages offered under the compound investment and investment annuity plans or the 7 per cent. guaranteed income bond of the North American Life Assurance Company of Toronto, Ontario. A compound investment policy may be secured by the applicant therefor, who can select a period of fifteen or twenty years, and, in the event of his death during the first ten years, the full amount of the policy is payable; if death occurs after that, and within the investment period, there is payable, in addition, a mortuary dividend of the eleventh and subsequent premiums paid thereon. An additional feature under this valuable contract is that after the policy has existed for ten years the company will, if desired, loan the insured the remaining annual premiums as they mature, in order that the policy may be kept in force until the completion of the investment period, simply requiring the payment of current interest on the premiums so loaned.

The investment annuity contract provides for the payment of the face of the policy in 20 or 25 equal annual instalments in the event of death. A much lower rate of premium is chargeable on this than on the regular plans of insurance on account of the payment of the face of the policy being extended over a period of 20 or 25 years.

Under the 7 per cent. guaranteed income bond, which can be secured by the payment of fifteen or twenty annual premiums, the insured is guaranteed an annual income of 7 per cent. should he survive the term named in the bond, in addition to which several other valuable options can be selected.

For further particulars and pamphlets explanatory of the above-named plans, apply to Wm. McCabe, F.I.A., Managing Director North American Life Assurance Company, 22 to 28 King Street West, Toronto, Ont., or to any of the company's agents.
