

For You Who Wanted High Class Equipment

**"Use Is
The Test"
KELLOGG**

What is Christmas to You?

A time of happiness, fun for the youngsters, house gatherings, presents, helping others? Probably all of these, but the last generally gives more satisfaction than all else.

To some the giving of telephone service at so much per twelve month may be no visible philanthropy but the satisfaction of giving the best service — a service that is of far reaching value to the whole town — is real.

Our part is to make equipment that is the greatest factor in the producing and continuing of such a service.
