The REVIEW is much interested in the proposed school changes at Chatham, and the various opinions advanced.

There was exhibited at the meeting of the St. John Board of School Trustees April 12, a number of drawings, the work of the class in mechanical drawing taught by W. S. Vial at the evening technical school in Centennial building. At the meeting the statement was made that there was no intention of making the children make up the time lost through holding one session during the winter and the schools would not be open in July, but that the two sessions would be resumed May 1.

The St. John Teacher's Association held their last meeting for the season in the Natural History rooms April 12, with the president, J. F. Owens, in the chair. The report was good, showing a satisfactory balance on hand. The officers elected were as follows:—President, W. L. McDiarmid; vice-president, Miss Jean Scott; secretary-treasurer, Miss Emma Fairweather; members of the executive, J. F. Owens, Miss J. Munro, Miss Louise Lingley, Miss Annie McGuigan, Miss M. Denham and Miss Grace Campbell. The association contributed generously to the memorial tablet to Miss Eleanor Robinson, which was recently placed in the Public Library. Interesting papers on Robert Louis Stevenson were read by Mrs. Lawrence, Miss Grace Campbell, Miss J. Somerville and

Miss Jamison. A number of interesting Scottish views were shown by means of the reflectroscope.

OFFICIAL NOTICE.

I hereby appoint Friday, May 10, as Arbor Day in the Public Schools.

Please observe carefully the provisions of Reg. 20.

The co-operation of parents and all others in the district is invited, and attention should be given not only to the school grounds and premises, but to the roadsides and other public grounds as well.

To insure satisfactory results, good trees should be purchased by the Trustees and properly planted.

The attention of Teachers is also directed to the importance of preparing for the observance of Empire Day, which falls on the last teaching day preceding the 24th of May. (Reg. 20).

It is most desirable on Empire Day to hold a Public Meeting in the Assembly Hall or School Room, at which, in addition to the programme prepared by the teachers and pupils, there may be addresses of a patriotic nature by rate-payers or visitors.

April 18, 1918.

J. F. DOUCET,
Inspector of District No. 2
