## BEAR US IN MIND

We are now placing our orders for Spring and Summer Goods and will have the finest selection ever imported by us. It's rather early to talk Spring stuffs, but from 1st to 10th March finds the bulk of our new Prints, Sateens and Wool Dress Materials in, so there are really only two months to look ahead.

Our sample system will be more complete than ever.

## NAMES AND CASH

are what we want, one is as important as the other. This is the greatest offer we have ever made. The books are handsomely bound in paper and you cannot get them from any book store for less than 25 or 30 cents each. We make the offer in order to get the names of people who would probably like to take PROGRESS. We place faith in your judgment and rely upon you to choose the names with care, avoiding all those who get the paper now. We are also anxious to test the value of an advertisement in this journal.

EDWARD S. CARTER, *Publisher.*

N. B. If you want the books sent by mail send 14 cents in stamps or make your post office order \$1.49. By the way, we still have that great bargain, Allen's reprint of Webster's Dictionary, for \$1.95 or rather with PROGRESS for one year for \$3.95,—the paper must go with the book.

Subscribers should promptly notify the REVIEW of change of address. Communications from New Brunswick and Prince Edward Island should be addressed EDUCATIONAL REVIEW, St. John; from Nova Scotia and Newfoundland to W. T. Kennedy, Halifax.

THE REVIEW is continued to subscribers until an order is received to discontinue sending it.

OUR subscribers who fail to send us their address when they change to another district, put us to serious inconvenience and sometimes loss. The paper is continued to their old address for some months after. This results in loss, and the trouble of correspondence with the postmaster or inspector of the district. Thus several persons are put to inconvenience on account of one. There are a few of our subscribers who fail in this respect, and also to remit when bills are sent. These should remember that there is a business side to the REVIEW. It cannot be published without money. The great majority of our subscribers do not need thus to be reminded. They are prompt and punctual in meeting their obligations, and this enables the REVIEW to meet its obligations promptly.

READERS of the REVIEW will not need to be introduced to Chief Supt. MacKay, whose protrait appears in this issue. His connection with the
