

CANADA

**EXCHANGE OF NOTES (August 28 and September 1, 1961) BETWEEN CANADA
AND THE UNITED STATES OF AMERICA CONCERNING THE DISPOSAL
OF EXCESS UNITED STATES PROPERTY IN CANADA**

I

*The Secretary of State for External Affairs to the
Ambassador of the United States of America.*

DEPARTMENT OF EXTERNAL AFFAIRS

No. 140

EXCELLENCY,

I have the honour to refer to discussions between officials of our two Governments concerning the disposal of United States excess property in Canada as provided for in the exchange of Notes of April 11 and April 18, 1951.* In accordance with Article V thereof, my Government terminated the Agreement as of December 7, 1960. It is mutually desirable that new arrangements be established for the orderly disposal of such property.

Pursuant to these discussions, I have the honour to make the following proposals for the disposal of such United States property in Canada as has been or may be determined to be excess by United States Government agencies, and has been or may be so reported, as provided hereinafter:

1. The Government of the United States may remove from Canada all of its property which it desires to retain to the extent that it is not precluded from doing so by other agreements or arrangements governing defence facilities in Canada.
2. The Government of Canada may arrange through its appropriate governmental agencies for the purchase from the Government of the United States of any remaining property which the Government of Canada may wish to obtain for its own use and disposition, such purchases being made directly by the Canadian Government agencies concerned, and not through Crown Assets Disposal Corporation.
3. All other excess property shall be sold or disposed of by Crown Assets Disposal Corporation (CADC), an agency of the Canadian Government, in accordance with the following procedure:
 - (a) The United States reporting agencies shall provide reports of excess property on CADC designated forms. These reports of excess shall contain details of condition and age of equipment, information in accordance with CADC Equipment and Material Codes, and such other information as may be mutually agreed.
