

## INTERNATIONAL TRADE CENTRES

External Affairs and International Trade Canada and Industry, Science and Technology Canada established **International Trade Centres (ITCs)** across Canada to assist first-time and experienced exporters by providing export publications, recruiting participants for trade fairs and missions, providing a wide range of services to companies seeking export counselling, technology transfer or joint ventures with foreign investors. Co-located with the regional offices of Industry, Science and Technology Canada (ISTC), the centres operate under the guidance of EAITC and all have resident Trade Commissions. For further information exporters are encouraged to contact the ITC nearest you.
