Private Members' Business

Mr. Speaker: I declare the motion carried.

Bill read the third time and passed.

• (1720)

Mr. Speaker: The hon. member for Mission—Coquitlam.

Ms. Langan: Mr. Speaker, I was unable to reach the House in time, but had I been here I would have cast my vote with my party against this bill.

The Acting Speaker (Mr. Paproski): It being 5.21 o'clock p.m. the House will now proceed to the consideration of Private Members' Business as listed on today's Order Paper.

On a point of order, the hon. member for Kamloops.

Mr. Riis: Mr. Speaker, recognizing that we have had an important vote, and recognizing the value of Private Members' Hour which we have cut into by 22 minutes, I wonder if we could have unanimous consent to have the full hour of debate today.

The Acting Speaker (Mr. Paproski): Is there unanimous consent?

Some Hon. Members: No.

The Acting Speaker (Mr. Paproski): No, there is not unanimous consent.

WATER SCIENCE RESEARCH INSTITUTES

Mr. Lyle Dean MacWilliam (Okanagan—Shuswap) moved:

That, in the opinion of this House, the government should consider the advisability of developing Water Science Research Institutes in critical watersheds, such institutes to be responsible for researching and developing innovative methods of water resource management, including land-based sewage treatment, waste-water recycling and the development of long-term water management plans.
