THE MACDONALD PHYSICS LABORATORY

December 3rd. 1931.

Dr. W. H. Hatcher,  
McGill University,  
Montreal.

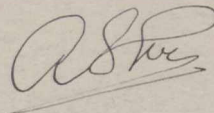

Dear Dr. Hatcher,

Second Year Timetable.

It would be a great advantage if the Physics Laboratory for Physics 3A, Engineering 316 could, in future, be three hours instead of two.

We do not recommend as necessary such a change in the case of Physics I or Physics 2 Engineering 312.

Yours very truly,

A. S. Eve,  
Director of the  
Department of Physics.
