Dear Sir:-

I am in receipt of your
GM.7685 asking me to give a confidential report
on one Mr. W. G. Watson.

I dare say I know Mr. Watson
and might be able to give you some information
if I could identify him more exactly. I know
hundreds of Watsons, but just which one this is
I am unable to say, and so cannot give you the
information you seek.

Yours faithfully,

Principal.
