Rev. Abbe Chartier,  
Laval University,  
Montreal.

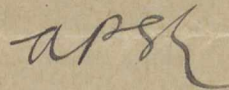

Dear Sir:-

We are in receipt of a communication from the City Hall requesting us to state the reasons why the City of Montreal should not cease paying to McGill University an annual grant of \$10,000.

It occurred to me that possibly your University may have received a similar communication, and that concerted action in this matter by Laval and McGill might be the best method of securing a continuance of such grants.

I should appreciate very much having your opinion on this matter at your early convenience.

Yours very truly,
