

If you ever thought this sort possible I'm sending
you stamps to return but will give it a good test
on my neighbor and my self and if you desire
will make an essay make and report to you
I have a small bottle of the sugar if you have a can
would send you an application of you wish or the
syrup I only take it when fresh I've seen it in this
country it would need alcohol I gave this remedy
or wrote Mrs. Prof. Peterson he answered he used the King
Henry Wood Beecher preached that Maria a woman died
within a short distance of an herb that would have saved
his life

This J. L. Leger

Bridgport September 20 1854
