Hon. Athanase David,
Minister of Education,
Quebec, Que.

My dear Mr. Minister:-

I am today in receipt of a letter from the Hon. Walter Mitchell, Chairman of the Protestant Committee of the Department of Education, in which he encloses copy of your letter of April 5th to him.

The grant of \$25,000 to the Protestant Normal School now conducted at Macdonald College is very greatly appreciated by all interested in the training of Protestant teachers. We shall use part of the grant for strengthening the course for the training of teachers for high schools and academies.

With many thanks and all good wishes, I am, dear Mr. Minister,

Yours faithfully,

Principal.
