STOUFFVILLE

Residents in Markham and Stouffville are protesting against the Grand Trunk Railway Company's decision to abolish the Peterboro Flyer on January 17, as it will then be impossible for them to reach Toronto before 2 o'clock in the afternoon after that train has been taken off. The excuse given by the company's officials is that since the war started the number of passengers using this train is not sufficient to warmant it being continued. Stouffville Patriotic Fund was augmented by the sum of \$65 thru a lecture on the war given by Frank Yeigh
