SUPPLY**

# Everything for the Printer

We Supply Type, the best made, and in the latest and best fashions, all made by The American Type Founders Co., the largest Type Founding concern in the world.

We Supply READY PRINTS, acknowledged superior to any others in Canada.

We Supply Stereo Plates, with latest news, and STORIES by best authors. Also special department Plates comprising, besides all our special Canadian matter, all the productions of the American Press Association.

We Supply Cottrell Cylinder Presses, Miehle Cylinder Presses, Goss Perfecting Presses, and all makes of Gordon, Universal and Peerless Job Presses, and all makes of Paper Cutters, at manufacturers' prices.

We Supply the celebrated "REMELTO" and "PRESSMANS" Roller Composition, and are the only concern in Canada casting Rollers for Printers by the Gatling process.

We Supply INKS, the celebrated Ault & Wiborg Inks. A full stock kept at all our branches.

We Supply HALF TONES for book and newspaper illustrations. These are made by good artists, and our rates at reasonable.

We Own and control the Dominion Newspaper Advertising Agency, which enables us to send advertising contracts to many of our patrons.

We Supply and have on hand the largest stock of REBUILT Printing Machinery, comprising over 40 Cylinder Presses, 20 Job Presses, 6 Paper Cutters, etc.

We Supply and have the Canadian Agency for the celebrated Olin Gas and Gasoline Engines. These engines are acknowledged to be the best engines of their class.

When you require anything in our line, write or call  
and see us.
