

"What's More Annoying

Than bad Soft Coal for an open grate? It smokes, leaves a pile of ashes and dirt. No need of all this; "Excelsior" go to **BOWMAN & CO.** and get a ton of — **Grate Coal.....** and O! my, what a difference. Your fire will be a joy to look at, and your grate a thing of beauty instead of a dirt heap."

PROGRAMME — Concluded.

Next Attraction.

MONDAY, **M**ARCH 2nd.
