OUR TASK—THE CANADA OF TO-MORROW

The Newcomer and Education

The School Statistics of the Prairies constitute an epic. For ten years 1 new school district every school day.

The Foreign-Born and the School

CANORA REGION

In 10 Public Schools—

Ruthenians.....	329
Doukhobors.....	86
English.....	16
Germans.....	4
Belgian.....	1
Total.....	436

The figures quoted above could be duplicated many times in other parts of Western Canada.

Our W.M.S. Policy

School Homes + Public School + Bible

The State owes every child of these newcomers an education. The Church should, at the same time, give every child a Christian training.

Our School Homes make it possible for them to have both.
