

apparatus to fight fires. The premiums became so popular that the amount was increased to \$25,000.00. Since the law was put into operation at least 130 municipalities, parishes and small towns have secured premiums from the Government and have thus been placed in a position to combat fires. It is the intention of the Government to continue this wise policy until all the municipalities of the Province are in a position to protect themselves against fires.

Such in brief compass is the record of the Gouin Government. It is a record of efficient administration and accomplishment which can confidently be submitted to the people of Quebec for their approval and endorsement on June 23rd.
