EX-OFFICERS HAND OUT GREYS' FIRST DEFEAT

Highlanders Win Second Game From Queen's Own—Saturday's Indoor Features.

In the Officers' Indoor Baseball League the Grenadiers suffered their first defeat of the season Saturday night. Ex-Officers, who are the trailers in the league, doing the trick. The Grenadiers were a little over-confident and did not display the usual snap and aggressiveness which has been characteristic of all of their games; in some instances their base runners were poor. Duncanson was a little off color in his pitching, while the bats of Nordheimer in the fourth inning, who had to retire thru a slight injury, received very little sliding into the home plate seemed to upset the team. In contrast Ex-Officers put up the best game they have played this season, both on hitting and fielding. Cameron displayed some of his old time form and used excellent judgment in his pitching. Boone, Macdonald and Blackwood did a good service with the bat, driving in most of the runs between them. In the seventh inning Cameron and Richey collided, Richey displacing a cartilage in his leg. As a result he will be out of the game for a few days. The second game was won by the Queen's Own, who were a little off color in their pitching, while the bats of Nordheimer in the fourth inning, who had to retire thru a slight injury, received very little sliding into the home plate seemed to upset the team. OXFORD DEFEAT CAMBRIDGE AT SOCCER

LONDON, Feb. 11.—Oxford defeated Cambridge by a score of 3 to 2 in the annual Association football match, played at Queen's Club to-day.

Ottawa's Ninth Win Defeat Wanderers In Good Game 9-4

OTTAWA, Feb. 12.—Chalk up the ninth straight win for Ottawa. In their fifth home game of the National Hockey Association series, played at the local arena Saturday night, the unbeaten Quebec Wanderers and prospective custodians of the Stanley Cup for 1914 again vanquished their old rivals, the Wanderers. In the first period Wanderers displayed such an exceptionally good defensive game that there was no score, but in the second and third periods the invincible Ottawa seven outgeneraled the visitors, leading at the close of the second session by 3 to 1, and registering in the final period six goals to Wanderers' three. The score at the conclusion of the match was 9 to 4 for Ottawa. Ottawa accordingly pushed Wanderers down into third position in the National Hockey Association and made certain of the championship. There is just a possibility that Canadians may tie Ottawa, but the chance is so remote that the honors, with the season's best record, are conceded to the Ottawa. Saturday's exhibition, while devoid of the intense excitement usually associated

Canadiens Win Close Game

MONTREAL, Feb. 12.—The Canadiens tightened their hold on the second place in the National Hockey Association series by a victory over Quebec at the Arena last night, the final score being 3 goals to 2. It was a well-contested game, and the "puffed boys" did not clinch the deal until two minutes before close of play, when they notched the odd point. Both teams gave an excellent exhibition of hockey—perhaps the best seen thus far this season. Quebec's defence was unusually good, and their forwards showed

ORILLIA DEFEAT VARSITY IN FAST JUNIOR GAME

Final Score 4-3—Great Checking Match Before Good Crowd—Other Games and Gossip.

Orillia juniors won the first game of the round with Varsity Saturday night at Mutual-street rink, by 4-3. Half-time, 1-0 in favor of Orillia. An excellent crowd turned out to see the game and were certainly well rewarded. The ice was rather slow and sticky, which interfered somewhat with combination play. The game was in many ways the best junior hockey seen at the rink this season, both teams going at top speed all the time, and ready to take advantage of the slightest misplay of their opponents. Orillia secured the only score of the first half after several minutes of the second half play, but both goals were threatened on many occasions, and Laird and Corbould were called on to make some difficult stops. Varsity got a goal right from the draw in the second half, and play was in a rush, but Orillia secured the next three in row. They then attempted to play a defence game, which nearly robbed them of the victory, as Varsity forwards for the fifteen minutes of the second half were on top of the visitors all the time and it was only by the worst kind of hard luck that they did not secure enough goals to win the game easily. Three or four times they hit the goal post, and they would miss an operator, but when a score looked certain, they finally got two goals, and with a little more time would undoubtedly have tied the score. Orillia must in no way be robbed of their victory, for during the first half of the game they looked the better team, and should win the round on the play show Saturday night. They have an exceptionally strong pair of wings in Jupp and Thornton, which nearly robbed them of a sensational and wonderfully fast skater, Jupp had the better of Jack Maynard, while Goodenough did not hold Thornton. The visitors are a big junior team, and all fast skaters, McCabe being noticeably strong at cover, while they have Corbould a boy well able to guard the nets. Varsity's combination play was considerably hampered by the slowness of the ice, and they did not get away as well as usual. Laird in goal and Smith at point looked the best. The team miss Campbell in centre, and with him on play like a different team. The game showed the great advantage to be derived from close checking, and in this respect Orillia are stars; they check back in the fastest kind of manner, allowing their opponents very little opportunity to shoot. Varsity are also great checkers, and the game was hard-fought all the way. The return game will be played in Orillia on Tuesday night, and Varsity will undoubtedly take along a good crowd. Allan Kinfer referred in the same commendable manner as on his two previous occasions. Here is one of the best officials seen this year at the rink. The teams lined up as follows: Varsity (3-Goal, Laird; point, Smith; cover, Caldwell; rover, Webster; centre, Clerkson; right, Goodenough; left, Maynard. Orillia (4-Goal, Corbould; point, Cooke; cover, McCabe; rover, Buzsard; centre, Langman; right, Jupp; left, Thornton. Referee—Allan T. Kinfer.
