Woman's Realm-the Household, Fashions and Society

The Lord Mayor of Birmingham, England, and the Lady Mayoress, Mr. and Mrs. G. Palliser Marlin, Miss Wills and Mr. Henry Risley are at the King Edward from England, having arrived in Montreal by the Royal Edward. This delegation from Bristol has come to Canada to attend the Cabot anniversary in Halifax on the 14th and 15th inst. Mr. Risley has taken great interest in promoting trade between Canada and the Port of Bristol and was a member of the British delegation to Canada two years ago. Canada two years ago.

Lady E. Gordon-Lennox has arrived from England and is at the King Ed-ward.

Major-General Cotton left yesterday for Little Metis. Miss Minnie Parsons returned from the sea on Tuesday.

Mrs. and M'ss Keating are leaving town for Grimsby to-day, to stay with Mr. and Mrs. Frank Macklem.

The Brown Betty 42 East King-street, announces the opening of an additional tea and luncheon room (The Percy Haswell), on Saturday, Aug. 3. The Canadian Henley takes place at St. Catharines to-day and to-morrow.

Mr. and Mrs. Jack Hediey, who re-cently went to British Columbia to live, have taken a house at Caulfields for the summer.

Master Nelson McArthur is visiting his grandmother, Mrs. McArthur, in Ottawa.

Mr. and Mrs. W. W. Birchare is in town from Vancouver. Col. Albert Buchanan and Mrs. Buchanan announce the engagement of their daughter, Ruth, to Carlos A. Valverde of Chil', South America. Mr. Valverde is the son-of the minister of foreign affairs in that country, and a graduate of the mechanical department of Columbia University, New York.

Mr. and Mrs. W. H. Clemes are in

Mrs. R. Patterson is in town from Ottawa for a two weeks' visit. In Vancouver last week, among the entertainments for out-of-town visitors was the informal bridge tea given by Mrs. J. A. Dewar in honor of Mrs. W. T. Woodroofe, who will leave next week for Edmonton, and also for her house guests; Miss Kelly, Sarnia, and Miss Cassels, Toronto. The bridge favors were won by Miss Denison, Miss Gorrell, Mrs. J. B. Noble and Mrs. W. A. Macdonald, and at the conclusion of the game tea was served from a table made very attractive with its decoration of sweet peas. Mrs. A. L. Dewar and Mrs. Woodroofe presided over the tea cups and the ices were served by Mrs. Hutchins.

Modern Dewar and and a buckle.

Major Denison and Mr. Roy Nord-heimer returned recently from the Georgian Bay.

Mr. and Mrs. Leigh McCarthy, Win-ipeg, are in Vancouver. The marriage took place on Wednesday in the bridal suite at the King Edward of Mr. W. K. Allen to Miss Christie, Detroit, the Rey. J. Pedley officiating. The wedding breakfast was laid in the royal suite, where covers were laid for twenty at a round table, beautifully decorated with bink Killarney roses and lilles of the valley, the silver candelabra shaded with pink silk to match. Among those present were: Mr. and Mrs. Christie, Detroit, parents of the bride, and Mr., Mrs. and Miss Peck, Chicago. Mr. and Mrs. Allen left by the 3.45 boat for Niagara on a short trip, returning to town on Friday.

p, returning to town on Friday. Col. Hemming has returned from the

Mr. and Mrs. William Mulock and Mrs. Johnston Ashworth spent the week-end with Mrs. Arthur Hills at Deer Lake. Major and Mrs. Nelles and Mr. M. C. Nelles are at the King Edward from St. Johns, Quebec.

Major Clyde Caldwell has returned rom Lanark and is leaving shortly for

wedding was celebrated at the residence of Mr. and Mrs. John W. Duncan. Clinton-street, on Wednesday, when their sister. Annie Beverly, was married to Mr. Alex. Belf. Primrose. Ont., Rev. Vernon Mr. Emory. Clinton-street Methodist Church, performing the ceremony. The bride, who was given away by her brother, looked charming in a dress of cream silk and carried a shower bouquet of white roses. Miss Maude Mitchell, in a white embroidered gown and carrying pink roses, attended the bride. The groom was supported by Mr. Norman Breedon and Mrs. Duncan Wilding played the wedding march. Friends were present from Brampton and Wroodbridge. After the reception Mr. and Mrs. Bell left by the 5.10 train for Primrose.

Mr. B. H. Tarlor and Mr. S. S. Frank-lin-ard at the King Edward, having motored from Edwards, on their way to the Atlantic coast.

The Rev. J. and Mrs. Salton, Moose Jaw, and a party of thirteen girls are at the King Edward.

Mr. and Mrs. Alexander Cowlter have left for Colorado Springs.

The Daily Hint From Paris

LINGERIE BLOUSE.

marquisette trimmed only in fine tuckbelow the elbow are meeting with much Widow.

Some of these little blouses have narrow hems of colored marquisette, but ladies can be assured of every comfort. while the effect is charming, the all white blouse presents fewer laundering difficulties and will look well longer than the one with touches of color. All, the deep shades of pink-raspberry, strawberry, begonia, currant. rose, e'c.—are very good this summer, and so are some of the tones of red and yellow. Blue, of course, is the accept-ed color for tailored suits, while white

Se ge, of course, in its very lightest weights is used for traveling and backing suits, but the real suitings of the gummer are the silks—taffetas, poplins. falles, ottomans, broches and sik For afternoon dresses broidered taffeta combined with lingmaterials or with colored mousse line de soie is very smart, and so are the fentais'e taffetas in jouey and pempadeur fatterns.

KERCHIEF CASE

A new kind of handkerchief case for the traveler is made from 30 inches of flowered ribbon folded over at each end into pockets 5 inches deep.

Turn down a half-inch hem and slip in it a piece of featherboning and briar-stitch the edge instead of hemming. Now overcast neatly the edges of the ribbon to form the pockets. The boning g v s a little spring and makes it easier o insert the handkerchiefs. Make the sachet separate from a 5x3 inch piece of green mesaline filled with

inch piece of green mesaline filled with several heavily scented layers of cotton wadding. At the upper side fasten a small bow of half-inch white satin ribben, with a rosebud in the knot made con easily be refilled.

MUST MATCH.

Co or counts for a great deal at present. It is, however, color used with discretion. The latest method of introd e'ng a right note of color is to be fourd in the bandkerchief of the mom n. A little square of lawn, with a bord r in some bright tint, is tucked into the fastening of the tailor made.

Mr. Lloyd-George's New Scheme To "Grab The Land" Unmasked.

By C. H. Chomley.

houses, factories, mining shade way lines, and everything else made with hands. is once more on the war path. The

a very young man to have attained the success he has in his special field walue taxation and various subsidiary measures, all interded to make land

pretty and well costumed young woman and is wonderfully clever. She is capably seconded by Sammy Lee, who has developed into one of the best dancers in vaudeville, and their offering is one of the best things of the summer. Vaudeville will know the young people for but a few weeks as they will be featured the coming season in a bill. Bell and Caron make their first was a dainty, pretty and well costumed young woman and is wonderfully clever. She is capacity to meet the taxation. It cannot be all used without an immensely agreater demand than now exists for the report of the commission which has been inquiring into the rating system, and has heard much evidence in favor of putting municipal rates upon the value of land exempting from the value of land exempting from the all buildings and improvements. Enough, has been said, however, to suggest that in addition to something splendid favorite he has always been. There Alex are novelty gymnasts, direct from the London Hippodrome, with an offering that has been the sensation of Europe. Phina and her three Picks dance and sing and make merry.

To men of the Henry George School, the fixing of rents and of a minimum wage and the artificial provision of bands, wage and the artificial provision of works and capacity to meet the taxation. It cannot be all used without an immensely greater demand than now exists for labor all used without an immensely greater demand than now exists for labor and to apacity to meet the taxation. It cannot be all used without an immensely greater demand than now exists for labor of all classes, and when labor is in demand wages rise. Those who have labor of all classes, and when labor is in demand wages rise. Those who have labor of all classes, and when labor is in demand wages rise. Those who have labor of all classes, and when labor is in demand wages rise. Those who have labor of all classes, and when labor is in demand wages rise. Those who have labor of all classes, and when labor of all classes, and when labor of all classes, and when

provements freed from rating and taxation. They are, nevertheless, not opto raise wages, lower rents, and make land accessible to would-be users al-ways presuming that the value of land is taxed, for while such taxation may render specific attempts to provide better housing, to create small holdings, and to raise wages unnecessary, it at least gives the special laws a chance of success, for without it they are

capital would do more to cheanen land and give decent wages to the laborer than a dozen acts of parliament designed in that sense, he is probably rigght in believ no that the bulk of the people will be slow at first to see it, Scots and need the promise of special legisla-tional tion to stir them to enthusiasm. Ostounding Flaures.

Now that the plans for this great campaign are being laid, it is easy to see why the great expenditure upon valuation, with its small immediate returns, has been accepted by Liberal land taxes with such complacency. If and would now be here, for productive-parliament last out its term, by the ly employing his capital. The result time next election coms the valuation will be practically completed and the magnitude of the figures will be astonishing. No one of course, knows what the value of the land of the United Kingdom is. The lowest estimate puts it at \$15,000,000,000. From data given in detail elsewhere, Mr. R. L. Outhwaite and I have arrived at the conclusion that it s not less than the value of the land, including mines but sequently rise to a point hitherto unexclusive of all improvements such as known.

convulsion."

week by Manager Shea, who has been busy for the past week in New York is the object of his attack, and if he small tax as 2c. in the pound of its mer. The vaudeville stage at different scalps of many great landowners will land. The Chancellor of the Exchequer would have the sum of \$125,000,000, annually wherewith to finance social re-

the success he has in his special field of work, and his success as a monologist has scarcely been secondary. The greatest interest is evidenced in him, for everywhere he has "made good." His monolog is entertaining and well-given, and his illustrations are always great laugh-getters. His are always great laugh-getters. His Toronto admirers will be out next week to see the latest doings of Mutt and Jeff, as they will be with their "father."

The special attraction on the bill is Princess Flor, the educated chimpanzee called the "African Marvel."

Ruby Norten and Sammy Lee are well remembered for their tuneful and agle offer of "A Boardwalk Flirta-tions."

Precisely what Mr. Lloyd George's subsidiary measures, all interded to make land more accessible to the laborer and for raise his wages.

Mr. Lloyd-George has been studying Australian precedent. How far he measures of in initiation of it no one—probably not excepting himself—at present can say but the taxation and very present can say but the taxation and question, if indeed he understand this stands it now, in the sense that it is understood by Mr. Wedgwood, Mr. Hemmerde, and others. Nevertheless, fantical and very numerous band of enthusiasts in and out of parliament.

Opposition, discussion, and debate they welcome. Higher wages, better hous-ing, better opportunities for the multitude to acquire land, they place far above all party questions; and by far the conversion to land value taxation portant of all these they deem to be higher wages.

Precisely what Mr. Lloyd George has been studying Australian precedent. How far he make taken him a probably not excepting himself—at present can say, but the taxation and very numerous band of and question, if indeed he understand the municipal rating of land values on some not inconsiderable scale is his objective. In the attainment he sum the probably not excepting himself—at present can say, but the taxation and very numerous band of enthusiasts in and out of parliament. Opposition, discussion, and debate they well Mr. Lloyd-George has been studying

Tall stories were the order of the day. "Do you know," said the quiet result was the magistrate with a form and the result was the magistrate with a for lower to fallure.

There was a warm argument and the result was the magistrate will ask expected that a lower was not an animal and that there was not an animal and th and who had a factory costing say \$50,one upon it. Now, their rates, levied upon land value only, are the same, the speculator paying more and the manufacturer less. The latter freed from more than one-half of his municipal tax, has money set free for further productive enterprise and further employment of labor. The man with the idle land is driven also to give employment by making use of his use it, in order to meet the rates. And he is not fined, as he used to be there, of this system has been a marvellous business activity in Sydney. Over five million pounds worth of new buildings were erected in a single year, and wages are higher than they have been. This is but a single instance of what land taxers claim will happen in this country when the land values system is adopted. Business in is adopted. Business in town and country will be extraordinarily active; jobs will be running after men, instead This we estimate as the of men after jobs, and wages will con-

vere as the court thought he was the ringleader in the affair. Holiday Excursion. The Niagara Navigation Co. will, as sual, make special rates over the Civic Holiday. The points affected are Nia-gara-on-the-Lake, Queenston, Lewiston,

Niagara Falls, Buffalo. Tickets and all information to be hall at the office of A. F. Webster & Co., corner King and Yonge-streets.

A young man and his wife were seated in the dining-room of an hotel while on a vacation when two young men entered and took seats at the same After a survey of the strangers, one of the youths took up his fork, and tapping it in an apparently careless way against the edge of his plate, spelled out in the Morse code. "Do you think they are bride and groom?" "Yes. surely," his companion tapped back.
"Just watch how soft they are!" Immediately, to the dismay of the young men, the fork of the supposed bride-

groom joined in the conversation. With great rapidity it tapped out: "Gentle-

men you are mistaken. We have been married five years and have three "Yes, my father has been a discreet ollector. He is not like the New York millionaire whom a famous painter visited. "The painter was taken by this are becoming very scarce around Toronto, and within a few years they will sundoubtedly double in value. At the sazing pompourly at the lines of vast dingy canvases.
